### MUSIC PERFORMANCE MAJORS
(Suggested Associate in Arts Degree Curriculum)

This worksheet is designed to help students select courses which are likely to apply to a major in MUSIC PERFORMANCE. These suggested courses satisfy requirements in the Associate in Arts degree program at Prairie State College and provide the basis for transferring to a four-year institution. This program meets the guidelines for the IAI (Illinois Articulation Initiative) General Education Core. Students should obtain a copy of the Prairie State College Associate in Arts Degree Worksheet and should visit the IAI website at www.iTransfer.org for more information.

A broad background in music theory, literature, keyboarding skills, aural skills, ensemble performance and applied music instruction is offered at the community college level to provide a foundation for advanced study in music at a senior institution. Transfer admission in music is competitive! Students may need to demonstrate their skill level through auditions and/or placement testing at the senior institution.

Other suggested elective courses which satisfy the PSC AA/AS degree requirements may include transfer courses of 100 level or above (see the 2014-16 catalog, pages 49-51 for the list of approved transfer courses):

Additional courses recommended as transferable by the university to which you plan to transfer.

Up to four credits of physical education courses

Foreign language courses (Some universities have a foreign language requirement. Generally, four years of a single foreign language in high school, or four semesters in college, will fulfill this requirement. It is recommended that students complete the entire sequence at one institution.)

For the AA or AS degree, student may use one vocational/technical course (four credits or less) that is not on the approved list if they present documentation (recent written correspondence or transfer/advising guide) that the receiving institution will accept the course for credit. If a student plans to use more than one such course, he/she must obtain approval from the Vice President for Academic Affairs.
