This worksheet is designed to help students select courses which are likely to apply to a major in SPEECH COMMUNICATION. These suggested courses satisfy requirements in the Associate in Arts degree program at Prairie State College and provide the basis for transferring to a four-year institution. This program meets the guidelines of the IAI (Illinois Articulation Initiative) General Education Core. Students should obtain a copy of the Associate in Arts Degree Worksheet and should visit the IAI website at www.iTransfer.org for more information.

The Speech Communication program prepares students to understand communication between and among people. Students learn to enhance their own communication proficiency and to develop skills in persuasive strategies, small group relations, and audience analysis. Students planning to pursue a baccalaureate degree should be aware that transfer admission to speech communication programs is sometimes competitive and some schools require an audition for admission to the program.

Other suggested elective courses which satisfy the PSC AA/AS degree requirements may include transfer courses of 100 level or above (see the 2014-16 catalog, pages 49-51 for the list of approved transfer courses):

- Additional courses recommended as transferable by the university to which you plan to transfer.
- Up to four credits of physical education courses
- Foreign language courses (Some universities have a foreign language requirement. Generally, four years of a single foreign language in high school, or four semesters in college, will fulfill this requirement. It is recommended that students complete the entire sequence at one institution.)

For the AA or AS degree, student may use one vocational/technical course (four credits or less) that is not on the approved list if they present documentation (recent written correspondence or transfer/advising guide) that the receiving institution will accept the course for credit. If a student plans to use more than one such course, he/she must obtain approval from the Vice President for Academic Affairs.
