REPORTS

President’s Report
Dr. McCarthy expressed his appreciation for the efforts of Ms. Mary Reaves in the continuing increase in financial aid recipients and the amount of funds the students are receiving. This has a significant effect on achieving the College’s Key Results.
The athletic department will run baseball, softball, women’s and men’s basketball and women’s volleyball camps this summer. This is the first time the College has hosted this many camps during the summer. Also this summer, the College will run its highly successful speech camp.

The Cabinet will be working on two accountability reports this summer. The Self Study continues despite the fact faculty are away during the summer; the ICCB Results Report is prepared every summer for submission.

Dr. McCarthy stated his weekend memos will not be sent during the summer since many of the off campus activities he is involved in either slow down or do not meet. Therefore, he will send the Board special editions during the summer if necessary.

Financial Aid Report
Ms. Reaves prepares this report each year to update the Board on financial aid and the services that are provided to the students. She thanked Dr. McCarthy and the excellent seasoned staff in that office. The default rate is 8%. This low rate is due to the default management plan.

Monthly Financial Report
Mr. Tenuta reported the College is progressing according to plan.

ITEMS FROM THE BOARD OF TRUSTEES

Schedule for Future Board/College Events
Dr. McCarthy pointed out the upcoming Foundation Golf Outing scheduled for Monday, June 4th at Ravisloe Country Club. He thanked Mr. Marks and Mr. Faso for supporting the Foundation. Additional upcoming activities include art exhibits and jazz ensembles, the July 10th New Directions Info Session for returning adults and two Foundation meetings in July.

ICCTA/ACCT Report
Ms. Donohue reported the next ICCTA meeting is scheduled for June 8th-9th in Chicago.

Prairie State College Foundation Report
Ms. Donohue thanked Mr. Marks and Mr. Faso for participating in the golf outing and supporting the Foundation.

Services
The Board discussed the custodial services and whether to extend the present contract or send out an RFP.

Ms. Donohue noted the Services Committee played a very important role in reviewing the services contracts. It worked very well for the banking services. She is in favor of having the Services
Committee review services in public and suggested Mr. Fazzini consider re-establishing the Services Committee. Ms. Donohue added she preferred to send out an RFP. 

Mr. Marks pointed out this was a three year contract that expired a year ago and asked why there is an argument about going forward with an RFP. Dr. McCarthy noted the argument relates to the fact that the College is satisfied with the current vendor. Mr. Marks understands that; however, he inquired at what point does the Board look at other options since it has been five years since it was put out for bid. If the college puts out an RFP, Mr. Fazzini stated it could be a win-win situation or the College could end up with a firm they are not satisfied with. 

Mr. Faso inquired as to how long the current vendor has had the contract and what the learning curve would be for a new vendor. The current vendor has been with the College ten years and it takes a full year for a new vendor to learn the College. Mr. Leet added the contract has been bid out twice and the current vendor has been the lowest bidder by at least $100,000 or more each time. Their service has been very good. For example, when a pipe broke in February, they worked 16 hour days to clean up the mess. Their service is more than satisfactory. 

In view of the size of the contract, Mr. Marks commented that the contract should be looked at closely. 

Ms. Johnson suggested the vendor use “green” products rather than petroleum products. 

Ms. Donohue moved and Ms. Doyle seconded that the Board of Trustees grant the one year extension as per the contract, with a 4% cost of living increase, to Absolute Best Cleaning Service, Inc. 

Upon the call of roll, the vote was as follows: 

Ms. Agee     Aye  
Ms. Donohue  Aye  
Ms. Doyle    Aye  
Mr. Faso     Aye  
Mr. Fazzini  Aye  
Ms. Johnson  Aye  
Mr. Marks    Nay  
Ms. Gogins   Aye  

The vote being six (6) Ayes, one (1) Nay, and one (1) Advisory, the motion carried. 

The Board discussed the cafeteria services. Dr. McCarthy noted the College would like to renew CL Vending’s contract for the next three year term. The reason for the extension is to ensure that the present management has a long enough lease and to maintain the staff, especially the chef who is doing an excellent job.
Ms. Gogins pointed out that at the March meeting there was a statement made about the possibility of subsidizing the cafeteria hours or service; she has not seen any plan to that effect. She takes issue with the fact that students and faculty do not have food service available to them in the evenings. In addition, the contract has been amended three or four times with regard to hours and price increases. Mr. Tenuta explained the contract allows the administration and vendor to make amendments as needed. Since very few people were using the cafeteria in the evening, it was not cost effective to keep the cafeteria open. Dr. McCarthy stated the College is working on a plan to give service to the evening students. He also noted the student survey was skewed in view of the number of evenings students who answered the survey versus the number of day students.

Ms. Gogins stated the students are in need of nourishment and since the vending machine is not stocked and other vendors cannot be brought on campus, there needs to be something done for the students.

Ms. Donohue suggested the College work with the vendor to stay open later on a trial basis to see if there is an increase in student usage. Mr. Tenuta stated CL Vending is willing to work with the College.

It was agreed that the staff should work with the vendor to resolve the issue and keep the Board informed.

Ms. Agee moved and Ms. Donohue seconded that the Board of Trustees extend the contract of CL Vending through March 31, 2011.
