Ms. Diane Janowiak, Director of Disability Services & Testing and Director of Project Reach introduced Ms. Faith SanFelice, Senior Program Associate for Teaching and Learning at the American Association of Community Colleges. Ms. SanFelice is thrilled Prairie State College is part of Project Reach. There are a total of eight community colleges nationwide participating; Prairie State is the only community college in the State of Illinois participating in this initiative. The focus of the grant is looking at service learning and encouraging colleges to develop inclusive service learning programs. This targets all students, but in particular, students with disabilities and how to make service learning opportunities more feasible, more appropriate and more appealing for them so they feel comfortable going out into the community. Ms. SanFelice thanked the College and the Board for supporting the project.

Bid Recommendation – Public Address and Notification System
Ms. Donohue inquired as to what form the notification takes. Mr. Leet noted the notification would go out over a speaker system. The College could use tape messages for certain situations; it would also be available for general announcements. Mr. Faso asked if it was a wireless system. This system is hard wired. In an emergency situation, everyone grabs their cell phones which then overloads a wireless system. Should the power go out, there is a backup system.

Mr. Marks expressed his concern that the bid was so much lower than the other bids. Mr. Leet feels comfortable with the bid since he has been working with the company for some time. Mr. Faso asked how the College plans to pay for the system. Dr. McCarthy noted when the project first started, the College did not know how much it would cost. The budget may have to be amended in order to take the funds for the project from Fund 12. Mr. Fazzini suggested the College explore the option of using limited tax bonds. Mr. Leet will look into the possibility of making payments to Simplex Grinnell; Ms. Donohue asked if that would change the bid.

Mr. Faso moved and Ms. Agee seconded that the Board of Trustees award the purchase of a Public Address and Notification System to the lowest responsible bidder, Simplex Grinnell, in the amount of $369,884, for the base bid.

REPORTS

President’s Report
Dr. McCarthy reported, at this time, ethics training is no longer necessary for community colleges. However, there may be an appeal and if there is, a contribution will be necessary, as it was the last time, for the College to participate in the lawsuit.

At the most recent President’s Council meeting, Dr. McCarthy learned that workforce funds which were $12 to $15 million last year, will be cut by $5 million this year. He also learned that a $500,000 grant for small size manufacturers will be available soon and should help the College’s district.
On September 20th, the College will hold its first Parent Orientation night. Dr. McCarthy, the vice presidents and deans will attend.

At the Board’s places is a wonderful article that appeared in The Star about the men’s soccer team and two of its players. In addition, another article from The Star regarding the Stop the Violence workshop sponsored by the Black Student Union is at their places. As part of the workshop, a discussion took place led by past superintendent of the Chicago Police Department, Mr. Terrence Hillard.

On September 25th at 6:00 p.m., some members of the Illinois House of Representatives will be at Homewood Flossmoor High School to hear responses to the difficulties presented by budget cuts. Dr. McCarthy will attend to discuss the loss of the Student Success Grant and the loss of the special appropriation. He invited the trustees to attend the meeting.

Finally, on Saturday, September 15th, the Jones Memorial Center celebrated its 90th anniversary. Since 1917 it has provided recreation, a food bank and clothes distribution for young people and seniors. The College assisted in setting up its computer lab. Dr. McCarthy thanked Mr. Ron Leet and his staff, especially Mr. Howard Bankston, for setting up the stage and public address system.

President’s Cabinet Monthly Reports
Dr. Uzureau, Ms. Winfree and Ms. Reaves were available for questions on their monthly reports.

Ms. Donohue welcomed Ms. Winfree to her first official board meeting.

Tenth Day Report
Dr. McCarthy reviewed the report.

Assessment of Student Learning
Dr. Uzureau presented an overview of assessment of student learning which is important to the College’s upcoming accreditation.

Faculty members from three different areas will be presenting additional information regarding assessment of student learning at the next three board meetings.

Monthly Financial Report
Dr. McCarthy gave an overview of the monthly financial report.

This year’s Special Event, Scholarship Magic, is scheduled for Friday, November 9th at Olympia Fields Country Club. There will be walking magicians and other surprises at the event.

Table Participant Comments
Mr. Flannigan welcomed the three newly tenured faculty members and thanked the Board for their approval. Each of them will continue to make strong contributions to the College and community. He thanked Dr. Uzureau for her report on assessment which spells out what is going on and how vital it is. He added that although the faculty have differences with the Board and will probably continue to do so, when it comes to assessment and budget considerations, we all see those issues the same way. He hopes everyone continues to cooperate for the continued success of the College’s mission.

Ms. Braasch thanked Ms. Reaves for getting involved and purchasing the cart for students. This also affects evening employees.

Mr. Johnsen pointed out upcoming events: Hispanic Heritage month begins September 25th and ends October 15th; the reading of United States Constitution from 12:00 noon until 1:00 p.m. on Wednesday, September 19th; Student Government elections September 25th and 26th; the Walk of Hope is October 14th at Marie Irwin Park in Homewood; registration begins at 11:00; the walk begins at 12:00 noon; October 22nd is Heartland Blood drive; the Skyway Jazz Fest is scheduled for November 3rd in the BCEC; the United Way kick-off is November 7th; and the leadership exchange is November 17th. At the October 30th Board meeting, the Student Government will present their proposed budget for the year. Mr. Johnsen stated he was grateful to be appointed as the student representative for the college’s 50th anniversary committee. Because of Ms. Gogins’s speech at the Student Government meeting, Mr. Greg Ketcham is in attendance at this evening’s meeting.

Ms. Johnson asked if the issue Ms. Donohue brought up at the beginning of the meeting will be addressed. Mr. Fazzini stated it will be addressed after the Executive Session at the end of the meeting. Ms. Johnson thanked Dr. McCarthy, who is wearing many hats, for doing an outstanding job.

Ms. Donohue attended the reception honoring trustee scholars and thanked Ms. Reaves for inviting the Board.

Ms. Agee thanked Ms. Reaves for giving her an update on the ISAC legislative issues and also highlighting all the public acts, and house and senate bills affecting veteran’s affairs. Dr. McCarthy noted Mr. Jerry Mackay, Associate Dean of the Library, is working on setting up a club for veterans.
Ms. Gogins thanked Dr. McCarthy for obtaining the donation from Barnes & Noble. She congratulated the professors on receiving tenure. The comments from the students were very thoughtful. It is nice to have so many students telling other students to take certain professors. The purchase of the kiosk is a huge success. Ms. Gogins thanked Mr. Greg Ketcham for coming to the meeting. At the first Student Government meeting, she encouraged students to attend the Board meetings. The key is to get students involved. This is their Board and the Board is accountable to the students. The League of Women Voters were on campus and there will be several voter registration drives.

Mr. Fazzini congratulated the tenured faculty members and welcomed Ms. Winfree. The piece on assessment was well done.

EXECUTIVE SESSION

Ms. Donohue asked that an item for discussion concerning the decision made at the May 15th Board meeting regarding employee hiring be added to the next agenda. Mr. Fazzini stated that only a member voting with the majority may bring back a motion. However Mr. Fazzini asked Ms. Donohue if she would like to make a motion to place an item on the agenda for the next meeting. Ms. Donohue did not want to put it on the agenda as a motion and withdrew what she had said earlier. Mr. Fazzini stated that there would not be something added to the next meeting agenda. Ms. Donohue commented that as a trustee she has a right to put something on the agenda and has been told that by college counsel. Mr. Fazzini explained again Robert's Rules of Order on this matter.
