Board Policies – First Reading
Mr. Fazzini noted these policies were reviewed by administration and required no revisions. He asked that the Board discuss Policy A-15, Board of Trustees Annual Goals and Dr. Doyle asked that the Board discuss Policy A-22, Presentation of Items to the Board.

Mr. Fazzini pointed out that Board Policy A-15 reads that the Board’s goals are to be developed within 45 days of the annual board organization meeting and then acted upon by the Board at its January meeting. This functions on a calendar year basis while everything else functions on a fiscal year basis. He suggested the last line of the second paragraph be revised to read “fiscal” year rather than “calendar” year. It would then be in line with the development of the President’s goals. In addition, he suggested the 45-day time period be changed to a 90-day time period. Since the Board does not meet in July, it would give the Board ample time to develop its goals. It was agreed to review this policy again at the August Board meeting.

Dr. Doyle asked for clarification of Board Policy A-22. It states that “Board members may request items for presentation and action as appropriate and with notification to the Board Chair or President for inclusion on the agenda.” She noted that this was not always the case. Mr. Fazzini pointed out that any Trustee can ask the Chair to place something on the agenda; however, it does not mean that it will be on the agenda. Ms. Donohue asked what determines whether something would be on the agenda. He noted there could be issues with an item that could cause the Chair to not place it on the agenda. Dr. Doyle asked what happens if there are no issues; Mr. Fazzini stated if there are no issues, it would be put on the agenda. Mr. Brownell stated an item can be placed on the agenda “as appropriate.” There could be an illegality attached to the item. The Chair and the President could work to make it appropriate for the agenda. Dr. Doyle stated then it is at the discretion of the Chair. Mr. Fazzini stated yes. Last year Ms. Donohue asked that something be placed on the agenda and it was not. Mr. Fazzini noted it was the status of the police department; there were a number of issues attached to that item that caused it not to be placed on the agenda at that time.

Ms. Donohue asked what the recourse was if the Chair denied an item be placed on the agenda. Mr. Fazzini stated the Board would have to make that decision. The item could be brought up at the end of the meeting. At that time, the Board could vote to make it an agenda item at another meeting.

Presentation of FY2007 Comprehensive Annual Financial Report and Audit
This recommendation was pulled from the agenda.
FY2009 Budget Hearing
In the past, the Board has been presented with a tentative budget for their approval at this time. Mr. Dempsey noted there is no requirement that the Board approve the tentative budget. The requirement is that the Board Secretary make available a copy of the tentative budget 30 days prior to the public hearing. He is recommending that the Board set the date for August 26, 2008 right before its regularly scheduled meeting. The notice of the public hearing will contain a statement that on July 24th the tentative budget will be available in the President’s Office for review. Board members will receive copies at that time.

Ms. Johnson moved and Dr. Doyle seconded that the Board of Trustees set the date of August 26, 2008 at 5:00 p.m. CDST for the Public Hearing on the budget for the fiscal year beginning July 1, 2008 and ending June 30, 2009.

Upon the call of roll, the vote was as follows:

Ms. Agee    Aye

The vote being six (6) Ayes, no (0) Nays, and one (1) Advisory, the motion carried.

Board of Trustees Annual Goals
Mr. Fazzini asked that the Board return to Board Policy A-15, Board of Trustees Annual Goals. In the College’s Self Study, there is a reference to the Board needing to deal with this policy noting that “no action has been taken to revise Board Policy A-15 which is likely to be revised next fall.” He suggested that rather than waiting until the August Board meeting, it might be better to deal with it at this meeting.

The language suggested for the second paragraph of the policy is as follows: “The goals shall be developed by the trustees through a process that could involve a Board Workshop to facilitate discussion and focus. The goals shall be developed within 90 days of the annual board organization meeting.” The balance of the policy would stay the same.

Mr. Faso moved and Ms. Johnson seconded that the Board of Trustees approve Board Policy A-15, Board of Trustees Annual Goals, as amended by the Board All members present voted Aye, and the motion carried.

REPORTS

President's Report
Mr. Brownell was available for any questions on his report.
President's Cabinet Monthly Reports
Dr. Uzureau, Mr. Dempsey, Ms. Winfree and Ms. Reaves were available for any questions on their reports. Ms. Donohue was glad about the HECA grant, Mr. Martin’s waiver for training, the application for the grant for Campus & Public Safety and the Spanish brochure.

FY2009 Tentative Budget
Mr. Dempsey reviewed the budget. Ms. Johnson asked if there was a plan in place to allow for the changing economy especially with regard to travel. Mr. Dempsey stated that is a change that will happen as he finalizes the budget.

Self Study Report
Mr. Fazzini noted there will be a change to the reference to Board Policy A-15, Board of Trustees Annual Goals. He spotted a few other items such as 50 student waivers is now 60 waivers and a few things of that nature. There was nothing substantive. He learned a number of things such as the fact that a study will be done on staffing which will help decide if positions are needed or not and the amount of professional development for staff.

Ms. Donohue complimented the committee. It is so readable and well written and she learned a lot from it. With regard to the Title III project, Ms. Donohue was impressed with the team effort of this project. She is worried what will happen when it stops. The College needs to find another grant. The testimony from the students was very touching. It is a document that the College should be proud of and she is proud to send it on.

Dr. Uzureau asked the Board to endorse the second draft of the Self Study. The team is preparing the document to be placed on the website so the public will have access and can provide the College with feedback. In addition, the team is formatting the document so it will look good when it is submitted at the end of July. Dr. Uzureau reassured the Board that no substantive changes will be made that would impact any of the comments or concerns received from the Board. All of that language has been completed and no changes will be made to that. As errors or concerns are brought to the team’s attention, those revisions will be made prior to the final publishing.

Mr. Fazzini stated everyone did a phenomenal job in putting together the document and telling the story. Dr. Uzureau noted it was a group effort and Dr. Mulling and Mr. Schwarz deserve a great deal of appreciation for the work they did.

Mr. Fazzini moved and Ms. Donohue seconded that the Board of Trustees approve the second draft of the Self Study.

Upon the call of roll, the vote was as follows:

Ms. Agee  Aye
Ms. Donohue  Aye
Dr. Doyle  Aye
Mr. Faso  Aye
Mr. Fazzini  Aye
Ms. Johnson  Aye
Ms. Apata  Aye

The vote being six (6) Ayes, no (0) Nays, and one (1) Advisory, the motion carried.
Monthly Financial Report
Mr. Dempsey reviewed the report. He reminded the Board of their approval at last month’s meeting of the transfer of funds. The Operations and Maintenance Fund now shows a balance of zero and the same is true for the Audit Fund. With regard to the Financial Projection, he is still projecting the Education Fund to have a surplus, the Operations and Maintenance Fund to have a $500,000 deficit and the Audit Fund to have a $170,000 deficit. When he recommended the funds be moved from the Education Fund to the others to zero out the beginning balance, he will clear out whatever final deficits are remaining in August. He hopes the College will avoid having deficits in FY2009. Overall, Mr. Dempsey stated FY2008 is in good shape.

Schedule for Future Board/College Events
Mr. Fazzini noted there is no Board meeting in July and the upcoming Foundation meetings. Ms. Donohue will not be able to attend the Foundation meeting and asked if someone could attend in her place. Dr. Doyle cannot attend; if no other Board member can attend, Mr. Fazzini will try to attend in her place. Mr. Fazzini plans to talk to Dr. Radtke about professional development for the Board. Dr. Radtke has some ideas who might want to facilitate such a meeting.

ICCTA/ACCT Report
Ms. Johnson reported she received notice of an ACCT Leadership Institute from August 3rd through August 5th in New Mexico. The theme is diversity.

Prairie State College Foundation Report
There was no report.

Selection of Attorneys
This item was pulled from the Agenda.
