Table Participant Comments
Mr. Flannigan commended Ms. Gwen Dean on the work she did in establishing the Nursing Honor Society and congratulated Ms. Marie Hansel on her appointment. Mr. Flannigan stated that he is disappointed regarding the Board’s decision to be open on Fridays during the summer, and that the staff and faculty are committed at all levels to serving the community.

Ms. Braasch stated that her comments today are about the demoralizing actions of the Board and administration regarding summer hours. While support staff concedes that summer business hours are set by the Board as stated in Board Policy C-3 and Support Staff Contract Article IV Section 4.1C, the way this issue has been handled this year is inexcusable.

Ms. Wiegele stated that April is a busy month for SGA. Elections will be held April 12 - 13. Student Lobby Day will be in Springfield on April 22. Leadership awards will be held on April 23, and SGA is hosting a barbecue for the College on May 6.

Trustee Agee said, that as a mother and wife, as long as she sits on this Board, she will never trade family for economics. As a Christian parent and wife, her family comes first.

She continued that this is a vote for more time away from our families and children and she will not agree with it. She said she apologized for the way the vote went.

Dr. Doyle added that this was a very tough decision.

Mr. Oben reported that ICCB-SAC held its last conference at the Oakbrook Marriott and will hold its last meeting of the year at Student Lobby Day. He also added that the members of the speech team will be part of a national showcase at a tournament in April in New Orleans.

Chair Fazzini said that he has not worked with a more sincere group of Trustees that are more concerned with weighing the issues that come before them than he is working with right now. This was obviously a tough decision to make on whether or not the College stays open on Fridays. Districts around Prairie State are laying off people and the Board is trying to do what it can in order to not have to lay anyone off. This is no reflection on anyone’s ability. Mr. Fazzini said that he believes this is about the services we offer including child care. There are not a lot of classes, but the decision is not about how many students
we will have here. He continued that no Trustee has to apologize for any decision made by this Board because everyone tries to do the best that they can for district residents while considering our staff.

EXECUTIVE SESSION
Dr. Doyle moved and Ms. Somer seconded that the Board go into executive session for the “appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee or against legal counsel for the public body to determine its validity;” for the “collective negotiating matters between the public body and its employees or their representatives, or deliberations concerning salary schedules for one or more classes of employees;” for “the purchase or lease of real property for the use of the public body, including meetings held for the purpose of discussing whether a particular parcel should be acquired;” for “the setting of a price for sale or lease of property owned by the public body;” and for “litigation, when an action against, affecting or on behalf of the particular public body has been filed and is pending before a court or administrative tribunal, or when the public body finds that an action is probable or imminent, in which case the basis for the finding shall be recorded and entered into the minutes of the closed meeting.”
