REPORTS
President’s Report
President Radtke reported that he met with Ms. Ashlyn Snuckel, the new student trustee, and she is looking forward to working with the Board in the coming year. Dr. Radtke reviewed the handouts on the table including the essay written by student Zakiyah Ali which was Prairie State’s submission in this year’s Paul Simon Essay Contest. Ms. Ali referenced various faculty who have made a difference in her academic career. He also pointed out the 2011 Outstanding Full-Time Faculty Member Award and the 2011 Outstanding Part-Time Faculty Award submissions, Professor John Lim and Adjunct Professor Susan Biegel, DDS, respectively.

Dr. Radtke noted that the summer schedule is out, thanks to the communications and marketing department, and the College is already registering students.

The president also pointed out the quilted College seal that was made by a former employee and recently hung in the Board room. The piece was moved from the area outside the art gallery.

Chinese Student Initiative
Dr. Radtke distributed a recent article from the Southtown Star regarding the increasing number of Chinese students attending college in the area, including Moraine Valley Community College (MVCC). Former Senator Debbie Halvorson introduced him to a representative of the Asian American Advisory Council, Mr. Moses Shang, who wants to bring students to PSC from China. The College is currently reviewing his proposal. Dr. Radtke has also been in touch with representatives at MVCC as well as representatives from Millikin University, where Mr. Shang has had a program. The major concerns for such a program are English language abilities and housing issues. A representative from MVCC told Dr. Radtke that China is at the point where they are ready to send students here to community colleges instead of just for graduate degrees, as in the past. The College is researching to determine if this is something we want to do now with this organization or if there is a better match for us.

Ms. Agee questioned why the College is interested in working with students from China.

Chair Fazzini explained the benefits of bringing international students to Prairie State for both the College and its students. He said that the College of DuPage has an excellent program and Mr. Fazzini has always been a proponent of having a similar program at PSC.

President’s Cabinet Monthly Reports
Dr. Atewologun, Dr. Robertson, Ms. Winfree and Ms. Reaves were available for any questions on their monthly reports.

Monthly Financial Report
Dr. Robertson reviewed the report.

Budget Discussion/Projected Revenues/Tuition
Dr. Radtke explained the budget process and said the tentative budget will be presented for approval at the June meeting. The College is on schedule to hold the public hearing in August and to bring the final budget to the Board in September. Dr. Radtke said it will be necessary to make a decision about tuition rates in advance because of the printing of the Fall schedule.

Vice President Robertson reviewed the budget assumptions document and pointed out that the governor is recommending a flat budget for 2012.
Dr. Radtke summarized the discussion by saying the College’s emphasis is on maintaining quality. As the state continues to contract and reduce the proportion of its funding, the College must become more dependent on tuition to cover its costs.

Trustee Donohue said she hates putting the financial burden on the students. She asked if there are ways the College can cut costs and whether or not ICCB is looking into remedies that can be put in place down the road. She feels the College has done well as an institution, but is concerned about the future.

Dr. Radtke said that 80% of Prairie State’s budget is staff, which means there are not a lot of areas that can be cut.

Trustee Faso asked what happened to the windmill grant and Dr. Radtke said that the grant was awarded to the University of Minnesota.

Chair Fazzini asked what the College would generate with a $1 increase in tuition and Dr. Robertson said it would provide approximately $86,000.

*Trustee Agee left the meeting at 6:25 pm.*
