<th>STUDENT TRANSCRIPT EVALUATION</th>
</tr>
</thead>
</table>
| Adoption Date: 06/15/92  
Revision Date: 01/21/03  
Revision Date: 08/26/08 | Transfer students seeking to apply credits from another college or a university to a Prairie State College program of study shall have their official transcripts from the transferring institution evaluated by the appropriate College official, as designated by the College President. |
| Transcripts will also be evaluated as part of a graduation audit to determine a student’s candidacy for receipt of a degree(s) and/or certificate(s). |
| The College’s Admissions & Enrollment Services Office shall be responsible for providing detailed information regarding procedures for such student transcript evaluation. |
Prairie State College shall use the following system of symbols as official codes to evaluate and record the academic work of students:

A. A - Superior Work: Four (4) grade points per credit hour.
B. B - Above Average Work: Three (3) grade points per credit hour.
C. C - Average Work: Two (2) grade points per credit hour.
D. D - Below Average Work: One (1) grade point per credit hour.
E. F - Failing Work: No (0) grade points per credit hour.
F. S - Satisfactory Work/Non-Credit Course: Not figured in grade point average.
G. N - Not Completed/Non-Credit Course: Not figured in grade point average.
H. I - Incomplete: No (0) grade points, no credits, and not figured in grade point average. The "I" is available to students who, for valid reasons, are unable to fulfill course requirements by the end of a particular semester and have negotiated an extension with the instructor. Such an extension can be approved for one (1) semester only and is to include all of the following components:

1. It is at the discretion of the instructor;
2. It results only from situations which involve illness or other circumstances which are beyond the control of the student and which are not a result from neglect on the student’s part;
3. It includes a statement (on file in the appropriate dean's office) which outlines the terms for completion and is signed by both the instructor and the student;
4. It is completed and the grade processed before the end of the next term (excluding summer session); and,
5. It results in an "F" if not completed in the time specified.
I. L - Prior Learning
J. R - Credit by Examination
K. **W - Withdrawal**: No (0) grade points, no credit, and not figured in grade point average. The "W" is available to students who officially withdraw from a class prior to the official withdrawal dates for the semester. In exceptional situations which may merit the commuting of a formal grade to a "W," students may request special consideration through submitting a "Request for Policy Waiver" form.

L. **FW - Failure Due to Unofficial Withdrawal**: No (0) grade points, no credit, calculated in the grade point average. The “FW” is assigned to students who stop attending a course prior to the end of the enrollment period.

M. **U - Audit**: No (0) grade points, no credit, and not figured in grade point average. A student who is not concerned with receiving college credit may enroll in a credit course and thereafter change to an audit status. An auditor attends class, but is not required to take examinations, write papers, or complete other academic course requirements. A student auditing a course receives no academic credit and may not change from audit to credit. A student who enrolls for credit may change from credit to audit through the 10th day of the respective part of term excluding Sundays and holidays by completing the appropriate form in the Enrollment Services office. Faculty members should be notified by the Enrollment Services office regarding the student's desire to audit.

**Developmental Courses**
Any course with a course number below one hundred (100) [as listed in the Class Schedule] is graded A, B, C, D, or F. However, since developmental courses are not eligible as part of the fulfillment of degree requirements, the grades earned in those courses shall not be included in the calculation of the official cumulative grade point average.
COURSE REPEAT

Prairie State College shall institute the following two (2) categories to govern course repeats and shall establish a Course Repeat Fee when State funding is not granted. The Course Repeat Fee shall be the average State apportionment rate which shall be applied to each credit hour.

**Category I (Funded Repeats)**

A. The College shall provide students who earn less than a C grade the opportunity to repeat a course once (at no additional cost beyond tuition and fees) in order to increase their learning and earn a higher grade. Such students shall not be charged the Course Repeat Fee for the first repeat.

B. The College shall provide students the opportunity to take courses funded by the state to be repeatable (e.g. PE 101, courses in developmental education, community band/chorus) three times at no additional fee other than regular tuition and fee charges.

**Category II (Unfunded Repeats)**

A. The College shall provide students who continue to earn less than a C grade, after a second attempt to increase their learning and earn a higher grade, the opportunity to repeat a course a third time. However, during each subsequent attempt, the student will be charged applicable tuition, fees, and the established Course Repeat Fee.

B. Students who wish to repeat courses funded and approved to be repeatable (from Category I-B) beyond three times may do so for audit, provided there is a seat, but they shall be charged the established Course Repeat Fee.

C. The College shall provide students who earn a C grade or higher the opportunity to repeat a course once in order to increase their learning and earn a higher grade, but they shall be charged tuition, fees and the established Course Repeat Fee.

In cases where courses are repeated for the purpose of earning a higher grade, all completed courses are to appear in the transcript; however, the later grade for a particular course shall be the only one used in grade point average calculations.

Students will be notified during the admissions process and each semester for which they are enrolled of their right to opt out of the release of directory information. Students who object to release of directory information must notify the Office of Enrollment Services in person by completing the appropriate form. Such restriction will remain in effect indefinitely. If a student wishes to rescind the objection to release of student directory information, they must contact the Office of Enrollment Services in person and complete the appropriate form.

Access to student information by College employees shall be governed by legitimate educational interests. Decisions regarding the release of such information shall reside with the appropriate official, as designated by the College President.
Prairie State College shall require all students to obtain an official Prairie State College student identification (ID) card. This ID card shall be considered the official identification for students and as necessary to present for access to libraries, designated labs, recreation facilities, and other services. The identification (ID) cards shall remain the property of the College and shall be presented to College officials upon request. For ID card validation, a student must be registered.

Only the most recently issued ID card is valid. A student may have only one photo ID card in his or her possession. A replacement card can be obtained free of charge if there is a name change or the card is damaged.

Fraudulent use or fraudulent reproduction of a Prairie State College student identification (ID) card is prohibited. Violators shall be referred to the College’s judicial officer, as designated by the College President for appropriate disciplinary consideration and action, and/or to local police authorities.
Prairie State College shall provide and support co-curricular programs and activities which contribute to the goals of the College and to the educational growth and development of students. Such programs and activities may include, but are not limited to: cultural, social, and educational events; clubs and organizations; student publications; leadership opportunities; vocational and other special interest groups; and sports, recreation, and wellness activities.

Opportunities shall be available to provide programs and activities that: (1) promote the maintenance of good mental and physical health; (2) provide high quality physical recreation opportunities through the medium of sport; and (3) create an atmosphere that encourages individuals to develop a lifelong pattern of positive recreational activity.
The Board of Trustees shall authorize the development and adoption of a Constitution which creates and directs a Prairie State College Student Government Association. Amendments to the Constitution shall be approved as outlined in the document.

Members of the Student Government Association shall be selected as described in the Constitution and shall serve as representatives of the student body and be accountable to it, the appropriate student organizations, the College, and the Board of Trustees.

Students who possess 60 credit hours or more, or who have graduated from Prairie State College are ineligible to seek and hold executive positions in Student Government Association and executive positions in any recognized club or organization.
Prairie State College shall support student rights of free inquiry, expression, association, peaceful assembly, redress of grievances, and due process. Concomitant with these rights are responsibilities and obligations as members of the College community.

In affirming the rights of its students, the College also affirms the obligations to preserve an atmosphere of orderly behavior and free exchange of ideas and a respect for the rights and dignity of all of its members. The College expects its students to act as responsible adults in an academic community and to be informed about, and abide by, College regulations and the standards of behavior necessary for the ongoing operations of the College and accomplishment of the College’s Mission.

<td>Any employee, student, or other person who feels that a student or group of students has violated a policy, rule or regulation of the College which warrants disciplinary action; is to report the incident for appropriate referral. If in doubt as to the appropriate referral, report should be made to the Vice President of Student Life. The incident is then to be promptly investigated and appropriate disciplinary measures taken, as warranted.</td>
</tr>
<tr>

</tr>
<tr>
<td></td>
<td>4. <strong>Behavioral Contract.</strong> Written agreement whereby the student consents to modify his/her behavior. Failure to fulfill terms of the contract could result in additional disciplinary actions being applied.</td>
</tr>
</tbody>
</table>
5. **Probation.** An official warning regarding a student's behavior that may result in the withdrawal of one or more of the following student privileges:

a. The holding of an office in a campus organization;

b. The attending of non-academic activities at the College; or

c. The representation of the College in any intercollege events;

Probation shall be imposed for a specific period of time and the student shall be automatically removed from probation when the imposed period expires. Any subsequent violation of conduct, as described in the Board of Trustee’s policy on Student Conduct, during the probationary period may result in more severe disciplinary actions.

6. **Suspension.** Exclusion from classes and other activities for reasons set forth in a notice of suspension:

a. Suspension is not to exceed seven (7) days pending the final determination of an alleged violation; and

b. The President, through the College’s judicial officer, as designated by the College President, may impose suspension immediately for reasons relating to the student's physical or emotional safety and well-being or for reasons relating to the safety and well-being of other students, employees or College property;

I. Discipline for violation of College policies, on College campuses/locations, or at College functions may be imposed whether or not such violations are violations of civil or criminal law.
Policy F-17

**STUDENT DUE PROCESS**

Prairie State College shall recognize that all students have the right to due process when charged with an alleged violation of a rule, policy, or regulation of the College. In the event that an alleged infraction cannot be resolved within the counseling/guidance mode, the College’s judicial officer, as designated by the College President, may impose disciplinary actions. Should the student wish to appeal the decision and imposed actions, he/she may request a hearing to review the matter. The judicial officer may also mandate such a hearing.

The due process for handling student disciplinary matters shall be as follows:

A. Upon receipt of a report of an alleged violation, the student shall be informed by the judicial officer (or designee) that such a report has been received. The student shall be advised that he/she must respond to the notification of alleged misconduct within seven (7) days whereupon the judicial officer will seek to rectify the situation informally (via the counseling/guidance mode).

B. In the event that the matter cannot be rectified normally, the judicial officer may impose appropriate disciplinary actions or mandate that a judicial hearing be conducted. Notification of disciplinary actions or of a hearing will take place within five (5) days.

C. The student has the right to appeal the decision by requesting in writing to the judicial officer within five (5) days of receipt of the notification of disciplinary action that a judicial hearing be conducted.

D. The judicial officer will convene the hearing in accordance with established procedures. Said hearing is to be conducted in a manner consistent with procedural due process and "fair play;" however, it is not to be unduly restricted by rules of evidence or judicial formalities. The object of the hearing is to ascertain the truth of the allegations at hand and to do so with dispatch, propriety, and respect for the rights of all parties involved.

E. The Student Appeals Committee, appointed by the Vice President of Academic Affairs, shall serve as the judicial board for formal hearings. All actions taken by this body are to be decided by a majority vote.

F. The Student Appeals Committee shall be comprised of five (5) members: two (2) faculty representatives, two (2) student
representatives, and one (1) administrative representative. The Student Appeals Committee shall establish its own internal operating procedures consistent with due process.

G. In the event that the student is found to be responsible for the charges brought against him/her, the Student Appeals Committee will uphold the disciplinary actions imposed by the judicial officer and/or have the authority to recommend the imposition of other actions.

H. Upon official receipt of notification of the appeal outcome, the student may then appeal this decision by submitting a written request within five (5) days to the College President. The written appeal must state the reason for the appeal and supply information to substantiate the reason(s) stated. Such an appeal will only be considered for any one or more of the following reasons:

a. The disciplinary action was too severe;

b. Additional pertinent information is available which was previously not available;

c. College regulations were not correctly applied; and/or

d. The College’s due process procedures were not followed correctly.

I. Upon receipt of a legitimate request for appeal, the President will either review the matter himself/herself and make a determination or form an ad hoc appeal committee to review the matter and submit a recommendation.

J. Should the President determine that a rehearing is called for, he/she shall convene such a hearing as soon as possible. Individuals present shall include the student, his/her advisor (if any), a representative of the judicial board, and others designated by the President. If the student’s advisor is an attorney, the College may have legal counsel present. The outcome of this second hearing will be one of the following:

1. An affirmation of the original decision of the Student Appeals Committee;

2. An acceptance of the appeal and a decision to return the case to the Student Appeals Committee for a rehearing within seven (7) days; or,
3. A modification of the decision and/or disciplinary action.

K. Requests for review of the decision rendered from this second appeal are to be submitted in writing within five (5) days to the Board of Trustees whose decisions are final.
Prairie State College shall provide students with information pertinent to particularly-relevant policies and procedures, College services, activities, regulations, and other matters which are in the students’ best interests. Such aid shall include, as available but not be limited to, grants, loans, scholarships, work opportunities, and veterans’ benefits. Additionally, programs and services shall be provided to aid students in seeking full- and part-time employment.

The College President shall cause to be established a Student Financial Aid and Scholarship Manual which includes informational and procedural details for the awarding of student scholarships, tuition waivers and other financial assistance programs. Such student awards may be in recognition of financial need, distinctive personal accomplishment, service to the institution, special skill, or other appropriate criteria. All student awards shall be administered in accordance with the Student Financial Aid and Scholarship Manual procedures which outlines details regarding: funding sources and limitations, eligibility, availability, application procedures and deadlines, expectations upon receipt of the award, and other matters as deemed appropriate.

The Student Financial Aid and Scholarship Manual shall be made available for review by prospective and current Prairie State College students in the College’s Office of Financial Aid and Veterans’ Affairs.

After a period of at least five (5) years of non-enrollment at Prairie State College, a student may petition to utilize grades earned in more recent course work to obtain grade point average relief for past academic performance. Such use of recent grades to compensate for poor grades in the past shall be on a credit-hour by credit-hour basis.

A student may utilize this Academic Forgiveness policy only once during tenure at the College. While this policy provides a mechanism for deleting grades from grade point average calculations, all grades, including those forgiven, will continue to appear on the academic transcript.

Emphasis shall be placed upon physical skill development, academic achievement, and character and leadership development.
