Dental Hygiene

Dental Hygiene
A.A.S. Degree
This program prepares students for careers in dental hygiene. Those who desire part-time college enrollment may enroll only in the general education courses prior to applying for entry into the dental hygiene program.

Program Total: 83 credits
The dental hygiene program combines courses in general education, basic science, dental science, and clinical science with learning experiences in the Dental Hygiene Clinic. Courses must be completed in sequence.

PSC’s dental hygiene program is taught by full-time, licensed dental hygienists and two licensed dentists. In addition, there are adjunct faculty made up of both hygienists and dentists, many of whom are working in the community.

ABOUT THE CURRICULUM

CAREER OPPORTUNITIES

According to the U.S. Department of Labor Statistics, employment of dental hygienists is expected to grow by 38 percent from 2010 to 2020, much faster than the average for all occupations. Ongoing research linking oral health and general health will continue to spur the demand for preventative dental services, which are often provided by dental hygienists.
Financial Aid Information
PSC’s tuition is affordable, and financial aid is available through a variety of sources. Additional information at prairiestate.edu/finaid.
