AGREEMENT

THIS AGREEMENT, together with the attached Appendices which are an integral part of this Agreement and by this reference incorporated herein, is entered into by and between the BOARD OF COMMUNITY COLLEGE DISTRICT NO. 515, COUNTIES OF COOK AND WILL, STATE OF ILLINOIS (herein called the "Board") and the Prairie State College Campus and Public Safety Officers Association, Illinois Council of Police (herein called the "Union"), as the sole and the exclusive bargaining agent for the bargaining unit members, as defined herein. The Agreement shall also be binding upon the parties' respective successors, for the life of this Agreement.

PREAMBLE

WHEREAS, the Union has been designated as the bargaining representative by a majority of the bargaining unit members;

WHEREAS, the Board and Union have voluntarily endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting relations between the Board and the bargaining unit members insofar as such practices and procedures are appropriate to the obligations of the Board to retain the right effectively to operate Prairie State College ("PSC" or "College") and are consonant with the paramount interests of the public and the students of Prairie State College;

WHEREAS, it is the intention of the parties to this Agreement to provide for the wages, hours, terms and conditions of employment of the bargaining unit members covered by this Agreement, and to provide an orderly and prompt method of handling and processing grievances;

NOW, THEREFORE, the parties agree with each other as follows:
ARTICLE I - RECOGNITION

Section 1.1 Recognition

The Board recognizes the Union as the sole and exclusive bargaining agent for all bargaining unit members.

ARTICLE II - DEFINITIONS

Section 2.1 Bargaining Unit Member

The term “bargaining unit member” or “Campus Safety Officer” as used in this Agreement refers collectively to all security officers, regular part-time employees hired to work at least twenty (20) hours per week on a regular basis in the Police and Campus Safety Department. Excluded are managerial, supervisory, confidential, temporary (less than ninety (90) calendar days); or in the case of an employee who fills the position of an employee on leave for not more than six (6) months, students, and grant-funded employees, and all others excluded by the Illinois Educational Labor Relations Act.

The following definitions shall apply to each job position:

A. Campus Safety Officer: An employee assigned to the Department of Police and Campus Safety whose primary responsibilities include tour and patrol.

B. Security Assistant: An employee who is utilized as support staff with the Department of Police and Campus Safety, whose duties do not include tour and patrol. Security Assistants also assist in the main building and interact with the general public, students, faculty and staff and at special events.

C. Administrative Assistant: An employee who does the administrative functions for the Department of Police and Campus Safety and who reports directly to the Chief. The Administrative Assistant’s duties shall not include tour and patrol.
Section 2.2 Union

The term "Union", as used herein, shall mean the Prairie State College Campus and Public Safety Officers Association, Illinois Council of Police (ICOPS).

Section 2.3 Gender of Words

The masculine gender as used herein shall be deemed to include the feminine gender, unless in the context of the provision(s) concerned, the feminine gender is clearly appropriate.

Section 2.4 Proration of Benefits

The following formula will be applied to part-time bargaining unit members when calculating their life insurance coverage, summer hours if a shortened work week is approved, vacation, sick leave, and other paid time off benefits:

(Number of hours worked per week divided by 40) x (regular full-time employee benefit rate minus part time employee benefit rate)

Two rates will be calculated for part-time employees for health insurance premiums; said rates will be based on the (a) the employee who works 20-29 hours per week and (b) the employee who works 30-39 hours per week. For this health insurance premium calculation, employees who work 20-29 hours per week will receive fifty percent (50%) of the full-time benefit. Employees who work 30-39 hours per week will receive seventy five percent (75%) of the full-time benefit.

Section 2.5 Meeting with Other Organizations

This Agreement shall not be construed to the Board or any administrator from meeting with any bargaining unit member or bargaining unit member organizations, including the bargaining unit
committee, representing bargaining unit members for the purpose of hearing the views and proposals of such bargaining unit members or such bargaining unit organizations, provided that as to those matters covered by this Agreement no change or modification shall be made except through negotiation and agreement with the Union.

**ARTICLE III - MANAGEMENT RIGHTS**

A. Nothing contained herein shall limit or be construed to limit the powers rights and authority of the Board of Trustees for the entire management, control and conduct of the administrative, financial and security affairs of the College.

B. In accordance with the rights established by the State of Illinois and the Illinois Educational Labor Relations Board, the College shall not be required to bargain over matters of inherent managerial policy, which shall include but shall not be limited to such areas of discretion or policy as the functions and programs of the College, standards of services, its overall budget, utilization of technology, the organizational structure, and selection and direction of personnel.

C. The management, administration and control of the College's operations, programs, activities, mission and resources, and the direction of its working forces including, but not limited to, the right to plan, direct and control all duties and functions performed by members of the bargaining unit herein involved; the right to hire all employees and to determine their qualifications, and the conditions for their continued employment or their dismissal, discipline or demotion, and to promote and transfer all such employees; the right to determine schedules, the hours of operation, and the duties, responsibilities and assignments of employees with respect there to; to transfer, promote or relieve employees from duty because of lack of work or other reasons; the maintenance of discipline, order and efficiency; the right to establish, revise, maintain and enforce
reasonable work standards and schedules; to make from time to time and enforce reasonable work rules; to introduce new work methods and facilities; to subcontract all or any portion of its operation (provided that if the College proposed to subcontract bargaining unit work, the Prairie State College Campus and Public Safety Officers Association is given the opportunity to meet and discuss the proposed subcontracting, which discussions shall be concluded within ninety (90) working days following the initial notice to the union) and to change or eliminate existing methods whether or not the same causes any reduction in the working force; or to recognize or combine operations with any consequent reduction or other changes in the working force, is vested exclusively in the College, provided that this section will not be used for the purpose of discriminating against any employee on account of membership in the bargaining unit.

The above enumeration of management rights is not exhaustive and does not exclude other management rights not specified herein, nor shall the exercise or non-exercise of rights constitute a waiver of such rights by the College. The parties recognize that none of the management rights enumerated above or any other management rights shall be subject of bargaining or grievances.

D. The rights of management are limited only as expressly limited by the language of this Agreement, notwithstanding (or without regard to) any practices or customs that may now or in the future exist.

E. The enumeration of certain rights and privileges of security employees in the Agreement shall not be construed to deny or diminish the existing rights, privileges, and responsibilities of security members to participate in the formulation and recommendation of security policy within the College, as approved by Prairie State College and its Board of Trustees.
ARTICLE IV - UNION RIGHTS

Section 4.1 Non-Discrimination

The Board and the Union agree not to discriminate against any bargaining unit member covered by this Agreement on the basis of sex, race, color, creed, national origin, ancestry, marital status, citizenship status, parental status, age, religion, physical or mental handicap, actual or perceived, sexual orientation, military status, genetic information, association activity, and membership in any and all classes identified by applicable state and/or federal law as protected classes.

The Board, in its employment practices, will continually seek to employ and promote the best qualified individuals while endorsing the principles of affirmative action and will fulfill all of its obligations under federal and state laws regarding equal employment opportunity.

Any alleged violation of this section is non-grievable and non-arbitrable, and may be remedied through any judicial or administrative proceedings otherwise provided by law.

Section 4.1A Freedom from Harassment and Hostile Work Environment

Consistent with applicable law, the Board and the Union agree that all Campus Safety employees are entitled to a non-hostile work environment where they shall be free from unlawful harassment based upon characteristics protected by law or their association with their lawful activities with any organization. If the employee chooses to utilize other judicial or administrative forums, their right to pursue a grievance under this contract is waived.

Section 4.1B Union Mailbox and Use of College Mail System

The Union may use the internal mail system of the College to transmit official union business.
Section 4.2  Fair Share

A. All employees covered by this Agreement who are not members of the Union shall, commencing on the effective date of this Agreement and continuing during the term of this Agreement, and so long as they remain non-members of the Union, pay to the Union each month their fair share of the costs of the services rendered by the Union that are chargeable to non-members under state and federal law. Fair share provisions shall apply to all employees who have been Union members, but elect to discontinue membership. Deductions for fair share will commence after proper notification of the Board and membership, but will not be retroactive.

B. Such fair share payments by non-members shall be deducted by the Board from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall submit to the Board an affidavit which specifies the amount constituting said fair share not exceeding the dues uniformly required of members of the Union, and which describes the rationale and method by which the fair share was determined, including a list of the expenditures which were excluded in determining the fair share.

C. Upon receipt of said affidavit, the Board shall cooperate with the Union to ascertain the names of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.

D. Upon the Union's receipt of notice of an objector's invocation of any procedure described above, the Union shall deposit in an escrow account, separate from all other Union funds, the amount of fee payments received on behalf of an objector or objectors that is fairly placed at issue by the objection(s). The Union shall furnish objectors and the Board with verification of the terms of the escrow arrangement and, upon request, the status of the
fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the Agreement, therefore, shall provide that the escrow accounts be interest bearing at the highest possible rate: that the escrowed funds be outside of the Union's control until the final disposition as provided for herein; and that the escrow fund will terminate and the fund therein be distributed only by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

E. If an ultimate decision in any proceeding hereunder directs that the amount of the fair share fee should be lower than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the Board to reduce deductions from the earnings of non-members to said prescribed amount.

F. The Union shall indemnify and hold harmless the Board, its members, officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability including the costs of defense thereof, that shall arise out of complying with the provisions of this article, or in reliance on any list, notice, certification, affidavit, or reassignment furnished under any such provisions; or which might arise pertaining to the term of this Agreement. It is, therefore, understood that, in the event of any judicial or administrative proceeding involving this Article at which the appearance of the Board is necessary, or which requires the expenditure of any costs or fees by the Board, the Board may select counsel of its choosing, and the "cost of defense" includes the Board's reasonable attorney's fees, and the Union shall reimburse same to the Board.

G. Employees who object to payment of fair share amounts to the Union based on bona fide religious tenets or teachings of a church or religious body of which such employees are
members, are not required to make these fair share payments. Instead, such employees will be required to pay an amount equal to their proportionate share, determined under this Agreement, to a non-religious charitable organization mutually agreed upon by the objecting employee and the Union. If the employee and the Union are unable to reach an agreement on the matter, the Illinois Educational Labor Relations Board list of charitable organizations to which such payments may be made will be used for the employee to select a charitable organization as recipient of his/her payments.

Section 4.3  Dues Check-off

Upon receipt of a lawfully written authorization from a bargaining unit member (attached hereto as Appendix A), which may be revoked in writing at any time, the Board agrees to deduct the regular biweekly Union dues of such bargaining unit member from his pay and remit such deduction no later than seven (7) days following the payroll date to the official designated by the Union in writing to receive such deductions. The Union will notify the Board in writing of the exact amount of such regular membership dues to be deducted by July 30 of each year, with such deductions to be implemented within thirty (30) days thereafter. The Union shall indemnify and hold harmless the Board, its members, officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability including the costs of defense thereof, that shall arise out of complying with the provisions of this article, or in reliance on any list, notice, certification, affidavit, or reassignment furnished under any such provisions; or which might arise pertaining to the term of this Agreement.
Section 4.4  Reinstatement of Employees on Dues Check-off

Whenever bargaining unit members take a leave of absence and are dropped from dues deduction, upon their return to the job, they will be automatically reinstated on dues deduction.

Section 4.5  COPE Check-off

The Board agrees to deduct from the wages of any bargaining unit member who belongs to the Union, a COPE deduction as provided for in a written authorization. Such deductions may be revoked by the bargaining unit member at any time by giving written notice to both the Board and the Union. The Board agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each bargaining unit member from whose pay such deductions have been made and the amount deducted during the period covered by the remittance. The Union shall indemnify and hold harmless the Board, its members, officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability including the costs of defense thereof, that shall arise out of complying with the provisions of this article, or in reliance on any list, notice, certification, affidavit, or reassignment furnished under any such provisions; or which might arise pertaining to the term of this Agreement.

Section 4.6  Board Meetings

The agenda packet and the approved minutes of any Board meeting will be distributed to the Union President from the Office of the College President, and the Union shall be accorded the same right as any Prairie State College organization to attend Board meetings and address the Board of Trustees.
Section 4.7 Meetings with the President

At the request of either party, the President or his designee and the Union President or his designee shall meet to discuss matters relating to this Agreement.

Section 4.8 Information to the Union

Upon written request the Board shall make available to the Union any records, reports, and other written documents which are relevant to the enforcement of this Agreement. Any such information which is not immediately available, may be provided on a fee basis. A Union representative will meet with a Vice President, as designated by the President, or designee, to arrive at a mutually agreeable fee.

Section 4.9 Union Exclusivity

The Board shall not negotiate with any other employee organization of bargaining unit members or its representatives on matters pertaining to hours, wages and working conditions. Nor shall the Board negotiate with individual bargaining unit members over their wages, hours and working conditions except as provided herein. Any alleged violation of this section may be remedied by the filing of either a grievance or an unfair labor practice, but not both, it being the express intent of the parties that there be no duplication of remedies.

Section 4.10 Union Meetings/Use of Facilities and Equipment

The Union shall have the right to schedule meetings, and the Union may use facilities and equipment of the College where such use does not interfere with the operation of the College. Where actual costs are incurred by the College on account of such Union usage, those costs may be charged to the Union. Said meetings and equipment use must be coordinated with and pre-approved by the Vice President of Finance and Administration.
Section 4.11 Public Records

Upon written request from the Union, the Board shall make available to the Union any existing public records which would otherwise be disclosable to the Union pursuant to the Freedom of Information Act.

Section 4.12 Polygraph Examination

No bargaining unit member shall be required to take a polygraph examination as a condition of retaining employment with the Board, nor shall any bargaining unit member be subject to discipline for refusing to take a polygraph examination.

Section 4.13 Release Time

A. The Board shall grant up to two (2) hours per week of released time with pay to the Union President and/or Grievance Chairperson or other designee(s) of Union President for the purpose of conducting the affairs of the Union. The two (2) hours is the total time for two (2) persons. Time off for this purpose must be arranged with the employee's immediate supervisor. Sufficient advance notice is required to allow for coverage of work assignments.

B. In the event that two (2) hours per week is not used during the week earned, the two (2) hours shall continue to accumulate not to exceed ten (10) hours per semester.

C. All accumulated hours that are not used by the end of the semester shall be forfeited.
Section 4.14 Use of Security Cameras

Prairie State College has installed numerous security cameras for the safety and welfare of the staff and students. The videos generated from the cameras will be used as a surveillance tool to deter criminal activity and to protect the campus. In cases of employee discipline and/or dismissal, the videos generated may be used only as supporting evidence. The Union President and/or Grievance Chair(s) may request to view designated videos and/or view security monitors.

Section 4.15 Printing of Agreement

The College shall be responsible for the timely reproduction of this Agreement. Prior to printing this Agreement, both parties shall share proofreading and agree upon the contents. The cost of such reproduction shall be shared equally by the College and the Union.

Section 4.16 Bulletin Board

A bulletin board of reasonable size, labeled "Campus Safety Department Employees" shall be available in an area to be agreed upon by the parties. Such bulletin board shall be available for the posting of notices and materials relating to Union activities. Such materials shall be identified with the name of the Union and shall be signed by an appropriate officer thereof. Such materials shall not be derogatory of any person associated with the College and shall not include items, which are primarily endorsements of candidates for political office (other than offices of the Union).

Section 4.17 Maintenance of Standards Clause

All economic benefits and work practices which are not set forth in this Agreement and are currently in effect shall continue and remain in effect for the term of this Agreement. This article is not intended to limit in any way those management rights recognized in this Agreement.
ARTICLE V – HOURS OF WORK

Section 5.1 Hours of Work

A. The standard work-day for all full-time Campus Safety employees shall be eight (8) hours in duration. The regular work week shall consist five (5) consecutive days of eight (8) hours each inclusive of two (2) fifteen (15) minute rest periods, and one thirty (30) minute lunch period. Lunch and rest periods are assigned by the Chief of Police or his designee. Campus Safety employees recognize they may be called upon to perform work during their designated meal and rest periods.

B. The College does not guarantee that a part time Campus Safety employee work a certain number of hours per day and/or a certain number of hours per week and/or a certain number of hours per month and/or a certain number of hours per year.

C. A rest period of fifteen (15) minutes is required in any hourly employee’s workday that exceeds six (6) hours. Rest periods are assigned by the Chief of Police or his designee. Campus Safety employees recognize they may be called upon to perform work during their designated meal and rest periods.

D. The College will adhere to the State of Illinois guidelines for employee safety. Every reasonable effort shall be made by the College to staff every shift so that no security officer is the sole Campus Safety employee on campus.

E. As stated in Prairie State College Board Policy No. C-3, (adoption date 09/17/90), “College Business Hours....,” “Unless amended by Board action, the business hours of Prairie State College for fall, winter, spring and summer shall be 8:00 a.m. to 4:30 p.m. (Monday through Friday).” Work schedules in effect for the summer shall be determined by the Board at the February and/or March Board meeting each year of this Agreement.
F. Full-time and part-time Union members will be paid for their normal shift hours when the college closes for a holiday and the department goes to a reduced staffing level.

Section 5.2 Emergency Closings

A. Campus Safety employees are required to report to work in emergency closings. In such cases, it is the responsibility of the Campus Safety employee to contact his/her supervisor to see if he/she shall report to work at their regularly scheduled shift. Notice of such closings will be provided as specified in the Prairie State College Catalog.

B. In the event the College is closed on an emergency basis, the Campus Safety employees will be paid one and one-half times (1.5) their base hourly rate for the hours they work after the College is closed.

C. In the event of reduced staffing, Campus Safety employees who are sent home rather than work their scheduled hours that day, shall suffer no loss of pay.

Section 5.3 Calling Off Policies

A Campus Safety employee will call off of work at least eight (8) hours prior to reporting for work, except in cases of emergency. The Campus Safety employee must call the Office of Police and Campus Safety and have the Campus Safety employee on duty record the call off. The Campus Safety employee on duty must then call his supervisor and report the call off.

A. In the event inclement weather conditions prevent the Campus Safety employee from reporting to work, the Campus Safety employee has the option to claim the day as a personal or vacation day, if said days are unused.
Section 5.4 Scheduling Policies

Initially, the four (4) week work schedule for the department shall be executed by the supervisor of the department in a computer worksheet format that is posted on the shared network drive and in the Office of Police and Campus Safety. Notice that this schedule is complete will be communicated via e-mail to the President of the Union.

Daily work schedules for all shifts will be posted at least two (2) weeks in advance and posted in the Office of Police and Campus Safety. Schedules will also be posted on the shared network drive. It is understood that all personnel changes (i.e. medical, vacations, personal leave etc.) to the schedule after it is posted will be indicated on the official work schedule as soon as practical after such changes have been approved by the supervisor.

On each shift for each day, all Officers' work assignments shall include: name, shift, hours of work and assignment.

ARTICLE VI - OVERTIME/COMPENSATORY TIME/SHIFT DIFFERENTIAL

Section 6.1 Overtime

A. Work in excess of the regularly scheduled work week (forty (40) hours) shall be considered overtime (O/T) and paid at the rate of time and one-half (1.5 x straight pay). O/T must be authorized by the supervisor in advance.

B. All full-time Campus Safety employees who work on the days that the College is closed between Christmas and New Year's Eve Day will be paid double time for hours worked. All part-time bargaining unit employees who work those days shall receive one and one-half (1.5) time for hours worked. All full-time and part-time bargaining unit employees who do not work their regularly scheduled work hours during this period shall suffer no
loss of pay.

C. Early Official Release Time. In the event the College officially dismisses all employees early, (i.e., due to an upcoming holiday), those Campus Safety employees working will be paid one and one-half (1.5) times their base hourly rate, for those hours they work beginning with the time of release until the scheduled end of their shift.

D. Three (3) times the regular hourly rate of pay is the maximum hourly rate of pay that can be earned.

E. All full-time Campus Safety employees who work a designated Holiday will be paid triple time for those hours worked. All part-time bargaining unit employees who work a designated Holiday will be paid double time for those hours worked.

F. A minimum of two (2) hours at the O/T rate shall be paid to the bargaining unit member requested to work for emergency duty.

G. A bargaining unit member requested to work on a holiday should be paid for no less than four (4) hours of work.

H. Compensation in a Temporary Supervisory Position

1. Any Campus Safety employee holding a temporary supervisory position, which is normally paid at a higher rate than the employee’s regular position, for three (3) consecutive days or more, shall receive a stipend of ten percent (10%) of the public safety employee’s base pay, for those hours worked in the supervisory position.

This pay shall be retroactive to the first day in the temporary position and shall continue until the employee’s regular position is resumed. Any employee working temporarily in a position at a higher range must be supervising a subordinate officer/assistant throughout this period, and must receive pre-approval from the
Vice President of Finance and Administration or his designee for working up in the supervisory position.

1. In the event that there is an opportunity for O/T work, the Chief of Police, or his designee, shall offer/assign overtime O/T work in the order listed below:

   1. O/T will first be offered to the full-time Campus Safety Officers (in order of seniority on a rotating basis) who normally work the shift on which the O/T is available.

   2. If none of those employees work the O/T, then the O/T is offered to all full-time Campus Safety employees on a rotating seniority and shift basis. When the full-time employee has worked the available O/T hours, then his/her name will be placed at the bottom of the list.

   3. If none of those employees work the O/T, then O/T is offered to full-time Campus Safety Officers working their regularly assigned shift (in ranked order of seniority for volunteers) that precedes the shift on which O/T is available so as to extend his/her hours into the next shift on which the O/T is needed.

   4. If none of those employees work the O/T, and only after all full-time Campus Safety employees have been offered the O/T, the O/T is offered to part-time Campus Safety employees by seniority in order to grant each officer the opportunity to work the available O/T hours per specific shift, on a rotating basis. When the part-time employee has worked the available O/T hours, then his/her name will be placed at the bottom of the list.

   5. If none of the Campus Safety employees are available to fill the O/T hours, then and only then, can the employer/supervisor work those O/T hours or, if need be, the Chief of Police will involuntarily assign the hours to the least
senior Campus Safety employee on the shift preceding the shift on which O/T is available so as to extend his/her hours into the next shift on which the O/T is needed.

J. Forty (40) hour work week Rule:

1. For purposes of calculating O/T, the following benefit time will count towards the forty (40) hours an employee must work before earning O/T: (i) College designated holidays (but not the time the College is closed for Christmas Break except for the actual designated Holidays that fall during that break) and (ii) vacation time.

2. For purposes of calculating O/T, the following benefit time will not count toward the forty (40) hours an employee must work before earning O/T: (i) bereavement leave, (ii) personal days, (iii) floating holidays, and (iv) sick days.

K. Management of Department O/T Rotation:

1. Whenever a bargaining unit member declines to work O/T because he/she is not available to work, that employee will be charged and their name will then be moved to the bottom of the seniority list for overtime, except in certain situations set forth below.

   a. Exception when a bargaining unit member is not charged:

      i. When an employee is out on sick leave and/or when an employee is in the hospital; and/or

      ii. When an employee is on Jury Duty; and/or

      iii. When an employee is on pre-approved personal time off.

2. Overtime rotation:

   a. Employees can rotate or trade days when both are scheduled to work O/T on the same weekend. For example, if employee A and employee B are both working O/T on the same weekend and one cannot work Saturday but can
work Sunday then a rotation can occur. This O/T rotation can only occur if both parties agree to the trade and if the trade is approved by a supervisor.

3. All O/T must be posted on the schedule seventy two (72) hours in advance unless an unscheduled call-in occurs, then it becomes exempt from this Section. Department supervisors shall maintain overtime records to insure proper distribution.

L. Overtime shared with Hybrid Police Department

1. Since Prairie State College has a small Police and Campus Safety department all O/T must be shared between the College’s Police Officers and Civilian Security Officers. The College Police Officer seniority list will be merged along with the Campus Safety officer’s seniority list according to their dates of hire to form one master seniority list.

2. Notwithstanding anything contained herein, based on the operational needs as well as the health and safety of students, faculty, and staff of the College, the Chief of Police has the discretion to determine which O/T work must be staffed by a sworn police officer. In those cases, no O/T shall be assigned to Campus Safety civilian security personnel.

M. Seniority list – Managing O/T rotation

1. A bargaining unit member who has a scheduled day off can move up on seniority list when O/T becomes available and no one else is available to work. However, after that employee has accepted the overtime their name would then be move to the bottom of the list.

2. A bargaining unit member who is scheduled to work and is not available to work O/T because they are currently working does not forfeit her/his place on the O/T list. However, when the next overtime day becomes available, his/her name would move to the top of the list. After the bargaining unit member’s completion of his/her O/T,
his/her name would then move to the bottom of the O/T rotation list.

3. The O/T list must be completely exhausted before it can start over again.

Section 6.2 Compensatory Time

Bargaining unit members who leave College employment prior to the end of the course(s) will be responsible for reimbursement of tuition and other fees for said courses.

4. The Campus Safety employee receives no financial aid or reimbursement from other sources for the cost of tuition and fees for which reimbursement/waiver will be sought from the College.

5. Campus Safety employees may schedule one (1) class during the regular workday upon prior administrative approval, provided that the time lost is made up during that work week and should not be counted for purpose of O/T calculations. It is stipulated that the employee shall be enrolled in a matriculated program and that specific class is only offered during the workday. The class must be a necessary graduation requirement in his/her field of study and must be ONLY offered at that specific time. No O/T will be granted.

6. Courses which will be eligible for this reimbursement/waiver are credit courses taken at Prairie State College.

7. The Board will budget five thousand dollars ($5,000.00) per fiscal year for tuition reimbursement for junior, senior or graduate courses at a four-year college or university. He/she will be reimbursed after submitting proof of a satisfactory grade of C or above. Classes which are not taken for credit are not eligible for reimbursement. If an employee voluntarily leaves within one (1) year of receiving such a reimbursement, he/she must pay the College back one hundred percent (100%) of the reimbursement. If an employee voluntarily leaves within two (2) years of receiving such a reimbursement, he/she must pay the College back fifty percent (50%) of the reimbursement. **Section 10.1** Seniority and Benefit Accrual

A bargaining unit member on an approved unpaid leave of absence of twelve (12) weeks or less, shall accrue seniority. However, in those cases where the approved unpaid leave exceeds twelve (12) weeks, while seniority does not accrue during any of the unpaid leave time in excess of twelve (12) weeks, there shall be no loss of seniority in such instance. Similarly, a bargaining unit member on an approved unpaid leave of absence of twelve (12) weeks or less, shall accrue benefit time. However, in those cases where the approved unpaid leave exceeds twelve (12) weeks, benefit time does not accrue during any of the unpaid leave time in excess of twelve (12) weeks.

**Section 10.2** Insurance Coverage

B. Regular part-time employees shall earn and accrue sick leave on a prorated basis.

C. Sick leave shall be defined as personal illness or disability, hospitalization, doctor's appointments, quarantine of the employee, or illness of someone in the employee's immediate family. The immediate family is defined as husband, wife, civil union partner, children, grandchildren, parents, grandparents, brothers, sisters, or in-laws of the employee and all step relations of the aforementioned persons.

D. The bargaining unit member or his representative shall notify his immediate supervisor as early as possible but no later than eight (8) hours from the first date of absence. Failure to notify your immediate supervisor within eight (8) hours of your absence due to illness may result in disciplinary action. See Section 5.3.

E. Upon retirement, an employee may apply a maximum of two thousand four hundred (2,400) sick leave hours (three hundred (300) days) towards service credit with SURS.

F. Sick leave is to be taken in hourly increments with a minimum of one (1) two (2)-hour increment to a maximum equaling sick leave hours accrued/awarded to date. G. After twenty four (24) or more consecutive hours (three (3) days) off due to an illness, a verification documenting the illness, from a licensed physician may be requested by the employee's immediate supervisor. In such case, the verification shall be submitted to the supervisor upon return to work.

H. After an employee is out for two (2) or more weeks, the supervisor/Human Resources may demand a medical statement indicating prognosis of the illness and an estimate of when the employee may be able to return to work.

The misuse of sick leave is a serious matter. The College retains the right to take corrective steps to deal with abuse of sick leave or if an employee has prolonged and/or frequent and regular absences which hinder the conduct of his/her responsibilities. Such corrective steps may include medical consultations, informal or formal disciplinary action including dismissal. Further, any employee who calls in sick on the day immediately preceding or immediately following a holiday or regular day off, may be required to undergo an examination by a physician employed by and whose services are paid by the College.

Bereavements shall cover someone in the employee’s immediate family. For the purpose of this leave, immediate family is defined as husband, wife, partner in a civil union, children, grandchildren, parents, grandparents, brothers, sisters or in-laws of the employee and all step relations of the aforementioned persons. In the event this leave needs to be extended, an employee may elect to use unused vacation, sick, personal or floating holiday leave time for this purpose. In that case, the Sick Leave Bank days will be exhausted, and any remaining leave time will be unpaid.

C. The Board will provide medical insurance coverage in accordance with Section 6.2 for bargaining unit members for the duration of the approved FMLA leave, even if the accumulated sick, vacation and personal time have been exhausted.

D. The employee shall make his/her intention to return to work known to the administration in writing at least thirty (30) days before the termination of such leave, when possible.

choosing and at the Board's expense, for Disability/Medical leave. While on Disability/Medical leave Sections 10.1, 10.2 and 10.3, of Article X - Leaves of Absence shall apply. Disability/Medical leave will apply solely at the discretion of the Board for up to a six (6) month period and is contingent upon the bargaining unit member being physically unable to resume the position.

The Union and the Board agree to abide by classifications in effect and the placement of employees therein as of the effective date of this agreement.

**ARTICLE XIII – VACANCIES**

**Section 13.1 Process**

A. Prior to posting any vacancy, the College shall consider laid off employees in accordance with Articles XIX and XX of the Contract.

B. Whenever there is a vacancy in a bargaining unit position, the administration shall publicize such vacancy within ten (10) working days of the decision to fill the vacancy by posting a notice of such vacancy in a locked bulletin board in front of Human Resources and by providing the President of the Union with such notice. The notice shall include the minimum qualifications of the vacancy and a non-binding job description. Vacancies will be advertised internally and externally consistent with EEO/AA regulations. No vacancy shall be filled on a permanent basis until the notice of vacancy has been posted internally for five (5) workdays. However, the administration shall have the ability to fill the vacant
position on an emergency basis until such time as a qualified candidate, as determined by the administration, is selected.

C. Any applicant holding a position that is considered a part of the bargaining unit shall be considered an internal candidate. Each such candidate who meets minimum job qualifications shall be afforded an interview with the screening committee in their recommendation of qualified candidates for an open position. In cases where the finalist candidates are internal and each candidate is equally qualified as determined by the administration, the internal candidate with the greater seniority on the College staff shall receive priority in being offered the position. In cases where an external candidate and an internal candidate are equally qualified as determined by the administration, the internal candidate shall receive priority in being offered the position. "Qualifications" as determined by the administration in this provision are not limited to minimum qualifications but include other factors such as but not limited to job performance, experience and interview performance. The standard of review and any dispute regarding the administration's selection of a candidate shall be whether or not the administration's determination of qualifications was arbitrary and capricious.

D. Internal candidates will not be restricted in the number of positions they may apply for within any given period of time.

E. Any bargaining unit position that is deemed necessary to the operation of the College, may be filled by a temporary hourly employee for a period not to exceed ninety (90) calendar days, with an extension of time as mutually agreed upon between the Administration and the Union and in the case of a temporary employee who fills the position of an employee on an approved leave.
Section 13.2 Procedures

A. Once an internal candidate has been tested, the highest score from all tests that are less than one (1) year old will be kept on record with the Human Resources Office. In applying for other vacancies, the bargaining unit member will have the option to use said results if the previous test was administered by the Human Resources Office and is no more than one (1) year old or have a single retake of the tests. If the bargaining unit member opts to retake the tests, the highest current score(s) (from tests that are less than one year old) will be applied toward meeting the vacancy.

B. An employee who applies for and is selected for a vacancy who was already classified and working in the same classification as the vacancy, may be permitted by the Board to make a lateral move to the vacant position. If management approves the lateral move, the employee’s salary shall remain the same.

- Twenty Five Years $250.00
- Thirty Years $300.00

Said stipend is payable on the anniversary date of the employee.

Section 13.4 Fitness for Duty

A. A fitness for duty evaluation may be requested in certain instances when the Chief of Police becomes aware or has been notified of an employee's inability to perform their duties for physical, mental or emotional reasons.

1. An evaluation will be mandated when the individual's behavior adversely affects
work performance or the individual is a danger to themselves or others.

2. Documentation which supports the allegation in A.1 is mandatory.

3. A fitness for duty evaluation may be needed when considering whether to return an employee to work after an extended period of leave.

B. A fitness for duty evaluation is not a substitute for discipline or to be used as coercion. When a fitness for duty evaluation is deemed appropriate, the employee should first be notified verbally of the pending evaluation by the Chief of Police. The Chief of Police will then advise the employee in writing of the specific issues prompting the action, and the date, time and location of the required evaluation.

1. The letter will also indicate that failure to report for evaluation as ordered, and or failure to cooperate with the evaluator could result in disciplinary action up to and including discharge.

C. All appointments for fitness for duty evaluations will be coordinated through Human Resources. The evaluator’s confidential report will be directed to the Executive Director of Human Resources. The Executive Director of Human Resources will deliver a sealed copy of the confidential report to the Vice President of Finance and Administration and the Chief of Police.

1. The original report will remain in Human Resources confidential files.

2. The results from a psychological evaluation will be used to determine an employee’s fitness for duty.

3. Officers physically unable to perform their duties will be referred to the Board for possible reassignment or discharge.

D. The evaluator will be a Board approved physician or mental health professional used for such services.
1. The employee will incur no costs, and time spent undergoing evaluation will be deemed duty time compensable at the individual's regular, straight-time rate of pay.

2. If the employee requests an outside individual review of the evaluation, the evaluator's report will be forwarded to a physician or licensed mental health professional of the employee's choosing for interpretation and review with the employee. All costs associated with this independent review will be the responsibility of the employee.

**ARTICLE XIV - HIRING/PROBATIONARY PERIOD**

A. The College shall notify the Union within ten (10) working days of the hiring of any bargaining unit member covered by this Agreement. The new bargaining unit member's name, seniority date, job title/classification, rate of pay and work schedule shall be provided in the notice to the Union.

B. Opportunity to apply for any new position or vacancy shall be afforded the bargaining unit members in accordance with this Agreement.

C. Sufficient copies of this Agreement shall be reproduced so that one copy shall be provided to each bargaining unit member. Each new bargaining unit member shall be given a copy of this Agreement. The cost of the initial production of the Agreement, and provision of new Agreements to new bargaining unit members shall be divided equally between the Union and the Board. All other information pertaining to employment conditions such as Board Policies and Procedures, insurance booklets, pension booklets and job descriptions shall be available for inspection by any bargaining unit member at the office of Human Resources.
1. New bargaining unit members are not eligible to apply for any newly created or vacated positions for a period of six (6) months after their initial employment.

D. Probationary Period

1. All new Campus Safety employees shall be considered probationary employees until they complete a twelve (12) month probationary period. During the employee's probationary period, the employee shall be represented by the Union except in discharge cases and in cases where the Board determines not to hire a probationary employee into a full or part-time position because of unsatisfactory work performance. The College's decision to discharge and/or a decision not to hire a probationary employee is not grievable or arbitrable.

2. After successful completion of the probationary period, the Campus Safety employee shall have the opportunity to be assigned a part-time and/or full-time position.

3. Evaluation of a new bargaining unit member's work performance shall be made quarterly using a standard approved form by the immediate supervisor. The schedule for the performance evaluation will be as follows:
   - First quarter (Initial) - once every five (5) weeks during the first three (3) months.
   - Second quarter – once during the second three (3) months.
   - Third quarter – once during the third three (3) months.
   - Fourth quarter (Final review) – once during the fourth (3) months.
The evaluation must be reviewed with the bargaining unit member and submitted to the Office of Human Resources. If the bargaining unit member does not agree with the evaluation, he/she may file a written rebuttal which shall be attached to the evaluation. If, at this time, the employee’s work is deemed to be less than satisfactory, said employment will be terminated.

ARTICLE XV - DRUG FREE WORKPLACE

The Board will ensure the Department of Police and Campus Safety employees are physically and mentally fit to serve and protect the public. To that end, a zero tolerance drug policy is in effect. The College will seek to discharge any employee who test positive for any substance prohibited by the Cannabis Control Act and the Illinois Controlled Substances Act. The Chemical Testing protocol is set forth in Appendix C attached hereto and incorporated herein by reference.

ARTICLE XVI - PROMOTIONS

A. Internal promotions occur when a Campus Safety employee moves from the position of a security assistant to the position of a security officer or when a part-time bargaining unit member moves to full-time status within the department. Internal promotions may occur upon the approval of the respective Vice President of the affected area and the President.

B. In situations where internal promotions are granted, the position to which one is promoted need not be posted.

C. An employee who receives a promotion shall receive a pay raise in accordance with the provisions of Section 13.2.

ARTICLE XVII - TRANSFERS
A transfer occurs when a bargaining unit member is moved from one position to another solely by administrative action. An involuntary transfer is defined in C below and occurs when the unit member is transferred to a position that he/she does not find acceptable. Conversely, a voluntary transfer is one which, when proposed to the bargaining unit member, is found acceptable. Transfers are not to be confused with position changes as a result of posted vacancies (see Article XIII) or promotions (see Article XVI).

A. Whenever a bargaining unit member is transferred from one position to another by administrative decision for a reason other than unsatisfactory work performance, said bargaining unit member shall not be adversely affected in salary or seniority.

B. Downgrading a bargaining unit position resulting from an administrative decision shall not adversely affect the salary position of the member in the established classifications.

C. Any transfer of a bargaining unit member to another position which is not acceptable to the member involved, shall be considered an involuntary transfer. Prior to the involuntary transfer, the supervisor shall meet with the bargaining unit member and shall provide reason for the transfer in writing. Any employee being transferred will receive priority consideration for a period of one (1) calendar year for transfer into future bargaining unit vacancies for which the bargaining unit member meets the minimum qualifications as published for such vacancy, except that this clause shall not affect recall rights Articles XIX and XX.

D. The compensation of an employee who is transferred to a lower classification either through voluntary action or unsatisfactory work performance will be arrived at as follows:

1. Determine the percentage the individual's current rate is in relationship to the minimum salary of their current range.

2. Apply the percentage arrived at in step 1) to the minimum salary of the
range to which the person is being transferred. The product becomes the new salary of the employee.

E. Any employee who voluntarily applies for an open position under Article XIII-Vacancies, shall not be eligible to apply for the position under any other article of the Contract.

**ARTICLE XVIII - SEVERANCE PAY**

A bargaining unit member who is terminated except either for performance, for cause, by retirement, or by voluntary resignation, shall receive severance pay in the total amount of one (1) month’s pay for employees with one to ten (1 – 10) years of continuous service, or a total amount of two (2) month’s pay for employees for more than ten (10) years continuous service. This distribution will occur after the last official check from the College has been issued.

**ARTICLE XIX - REDUCTION IN FORCE**

A. Where there is an impending lay-off with respect to the Campus Safety Officers in the bargaining unit, the College shall inform the Union in writing as soon as practicable prior to such lay-off. Lay-offs may be initiated by the College only where the College makes a reasoned decision that a lay off is necessary. The College will provide the Union with the names of all Campus Safety Officers to be laid off prior to the lay-off.

B. Probationary Officers, temporary and non bargaining unit part-time Campus Safety Officers shall be laid off first, then bargaining unit part-time Campus Safety Officers shall be laid off in accordance with their seniority (with the part-time Campus Safety Officers with the least amount of seniority shall be laid off first), provided that the remaining Campus Safety Officers possess the skill and ability to perform the remaining work
without further training, then bargaining unit full-time Campus Safety Officers shall be laid off in accordance with their seniority (with the full-time Campus Safety Officers with the least amount of seniority shall be laid off first), provided that the remaining Campus Safety Officers possess the skill and ability to perform the remaining work without further training. If the Campus Safety Officer(s) who have greater seniority do not possess the ability to perform the remaining work without further training, then the College may take a Campus Safety Officer’s skill and ability into account, along with seniority, when making the decision on which Campus Safety Officer(s) will be laid-off. Any Campus Safety Officer shall receive notice in writing of the lay-off at least thirty (30) calendar days in advance of the effective date of such lay-off(s).

C. No Campus Safety Officer will be hired to perform or permitted to perform those duties normally performed by a Campus Safety Officer while any Campus Safety Officer is on lay-off status, (so long as the Campus Safety Officer on lay-off is qualified to return to duty).

Section 19.2 Recall

A. Bargaining unit members who are laid-off shall be placed on a recall list for a period of one (1) year from the effective date of layoff. Such bargaining unit members shall have priority consideration for any opening in the Campus Safety Department which becomes available for which the employee meets minimum qualifications established by the administration. If two (2) or more employees on a lay-off list meet minimum qualifications, the administration selects.

B. If an employee is recalled to a lower rated classification, the employee shall have the right to refuse recall without any adverse affect on his/her recall standing.
C. The Board shall not hire new employees in the bargaining unit positions affected by layoffs as long as there are bargaining unit members on the recall list who meet minimum qualifications and who have not refused the position in question for one (1) year from the date of layoff. Thereafter, the Board may hire new employees from outside of the bargaining unit.

Section 19.3 Outsourcing of Work

The College reserves the right to contract out any work it deems appropriate. Whenever the College determines that it is in the best interest of the College to subcontract out the work of bargaining unit members, the Union will be notified, in writing, ninety (90) days prior to said layoffs. Upon written request to the Union, the Board will enter into negotiations with the Union with respect to the impact upon such affected employees, including their possible reassignment to other available positions in the College and/or their employment by the subcontractor.

ARTICLE XX - SENIORITY

1. Voluntary resignation.

2. Discharge.

3. Failure of the bargaining unit member to return to work at the expiration date of an approved leave of absence or recall to work after a layoff when a notice of ten (10) or more work days has been delivered to the bargaining unit member by certified or registered mail at the last address filed by the bargaining unit.

C. A seniority list shall be prepared annually by the College and delivered to the Union President no later than July 1st of each school year.

D. Anyone laid off shall receive priority for a period of one (1) year for any job vacancy for which they are qualified, as determined by the administration, in order of seniority, with the senior qualified bargaining unit member being called back first.

ARTICLE XXI - DISCIPLINE

Section 21.1 Guidelines for Progressive Discipline

Both the Board and the Union encourage supervisors and employees to communicate with one another and to informally resolve any problems that may arise. However, both parties recognize that, from time to time, circumstances may arise which require the dispensation of discipline. Discipline shall be performed in a timely manner. Discipline shall be administered when behavior/conduct interferes with the job performance of self or others, or the overall operation of the College. Certain unacceptable actions which may include but not be limited to insubordination, falsification of records, possession of weapons or drugs/alcoholic beverages on College premises, theft, gambling, fighting and sabotage, may be serious enough to warrant immediate suspension for the first offense and possible termination of employment after investigation.

The memo shall contain a description of acceptable performance. The memo shall be given to the employee with copies to the Chief of Police, the Executive Director of Human Resources and the employee’s personnel file. All persons present shall sign said memorandum. The employee’s refusal to sign letter of written warning shall be

APPENDIX C Chemical Testing

Statement

The use of illegal drugs and the abuse of legal drugs and alcohol by Employees present unacceptable risks to the safety and well-being of other employees and the public, invite accidents and injuries and reduce productivity. Employees must project a positive representative image which ensures public confidence in them and governs their professional conduct. The College has the right to expect its Employees to report for work fit and able for duty.

Definitions

"Drugs" shall mean any controlled substance listed in 720 ILCS 570 et seq., known as the Controlled Substances Act, for which the person tested does not submit a valid pre-dated prescription. In addition, it includes "designer drugs" which may not be listed in the Controlled Substances Act but which have adverse effects on perception, judgment, memory or coordination. Among the drugs covered by this Article are the following:

- Opium
- Morphine
- Codeine
- Heroin
- Meperidine
- Marijuana
- Barbiturates
- Gluthethimide
- Methaqualone
- Cocaine
- Phenmetrazine
- Mescaline
- Psilocybin-psilocin
- MDA
- PCP
- Chloral Hydrate
- Methylphenidate
- Hash
- Hash Oil
- Steroids
- Tranquilizers
- Amphetamines
- LSD

The term "drug abuse" includes the use of any controlled substance which has not been legally prescribed and/or dispensed, or the abuse of a legally prescribed drug which results in impairment while on duty.

"Impairment" due to drugs or alcohol shall mean a condition in which the Employee is unable to properly perform his duties due to the effects of drugs or alcohol in his body. When an Employee tests positive for drugs or alcohol, impairment is presumed.

Prohibitions
Employees are prohibited from:

(a) Consuming or possessing alcohol or illegal drugs, unless in accordance with duty requirements, at any time during the work day or anywhere on any College premises or job sites, including all College buildings, properties, vehicles and the Employee’s vehicle while engaged in College business.

(b) Illegally possessing, selling, using, purchasing or delivering any illegal drug during the work day or when off-duty.

(c) Being under the influence of alcohol during the course of the workday.

(d) Being under the influence of legal or prescribed drugs used in excess of, or in non-conformity with, prescribed limits during the course of the workday.

(e) Failing to report to their supervisor any known adverse side effects of medication or prescription drugs which they are taking.

Requirements

Employees are required to:

(a) Report to their supervisor any known adverse side effects of medications or prescription drugs which they are taking which might affect or impact on the performance of their duties.

(b) Notify the Director of Human Resources of his/her arrest for violation of any criminal drug statute regulating the manufacture, distribution, dispensation, possession or use of a drug or controlled substance or arrest for a violation of any statute prohibiting driving a motor vehicle under the influence of alcohol or drugs, within twenty-four (24) hours of such arrest.

(c) Submit to drug testing as required by the College pursuant to this policy.

Circumstances Under which Alcohol and/or Drug Testing is Permitted

As set out more fully in the following provisions, the College shall have the right to require an Employee to submit to alcohol and/or drug testing 1) where the College has reasonable suspicion to believe that an Employee is then under the influence of illegal drugs or alcohol during the course of
the work day, 2) in the case of an accident, 3) prior to a return to duty after
an Employee has undergone alcohol and/or drug rehabilitation treatment,
4) as a follow-up once an Employee has returned to duty after alcohol
and/or drug rehabilitation treatment, and 5) randomly. In addition, the
College has the right to require alcohol and/or drug testing as part of its
pre-employment screening of applicants.

A. Reasonable Suspicion Testing

1. “Reasonable Suspicion” is defined as a belief based on
objective facts sufficient to lead a reasonable prudent supervisor
to find that an Employee is using, or has used, drugs or alcohol
in violation of this policy. The suspicion must be drawn from
specific, objective facts and reasonable inferences drawn from
those facts in light of experience.

2. Factors in Determining; Factors to be considered by
supervisory personnel in determining whether a finding of
reasonable suspicion is appropriate may include, but are not
limited to, any of the following, alone or in combination.

   a. Observable phenomena, such as direct observation of
drug use and/or the physical symptoms or
manifestations of being under the influence of drugs;

   b. Observable phenomena, such as direct observation of
alcohol use, the presence of the odor of alcohol on or
about the Employee, and/or the physical symptoms or
manifestations of being under the influence of alcohol;

   c. Abnormal conduct or erratic behavior while on-duty;

   d. Excessive unexcused absenteeism, tardiness or
deterioration in work performance;

   e. Slurred speech or unsteady walking or movement;

   f. Illegal possession of drugs or controlled substances
or an arrest for violation of a drug statute;

   g. Information obtained from a reliable and credible
source with personal knowledge which has been
independently corroborated.
3. When Conducted: In the case of a reasonable suspicion test, the College may require an Employee to submit to chemical and/or alcohol testing if at least one (1) supervisory employee determines there is reasonable suspicion for such testing, and provides the Employee with the basis for such "suspicion" in writing, before the test is administered. An order to submit to testing shall be in writing and signed by the reporting supervisor and Director of Human Resources or his/her respective designee and include the objective facts and reasonable inferences drawn from the facts that serve as the basis of the order to test. When testing is ordered, the Employee will be removed from duty and will be placed on leave with pay pending the receipt of testing results.

4. Refusal of an Employee to comply with the order for a drug/alcohol screening will be considered as a refusal of a direct order and will be cause for disciplinary action up to and including discharge, but the Employee's taking of the test shall not be construed as a waiver of any objection or rights that he/she may have.

B. Accident Testing

1. Incident Required: The Employee(s) involved in a vehicular accident (i.e., the driver(s)) must submit to drug and/or alcohol testing when the vehicle the Employee is driving is operating and is in motion at the time of the accident.
2. **Timing of the Test:** The Employee(s) involved (i.e., the driver(s)) must submit to drug and/or alcohol testing within two (2) hours of the accident.

3. **Available for Testing:** The Employee who fails to remain readily available for post-accident testing or leaves the scene of an accident without a valid reason or permission by the Investigating Officer will be deemed to have refused to submit to testing.

4. **Transportation to Collection Site:** The College shall transport or arrange transportation for the Employee to be tested to the collection site and, after testing, to such Employee’s home or work.

5. **Following Collection:** After submitting to the drug and/or alcohol testing, the Employee may return to work at the discretion of the Director of Human Resources.

C. **Return to Duty Testing.**

Any Employee who has completed drug or alcohol rehabilitation treatment will be required to submit to and pass drug and/or alcohol testing prior to returning to duty.

D. **Follow-Up Testing.**

Once allowed to return to duty subsequent to drug or alcohol rehabilitation treatment, an Employee will be subject to unannounced follow-up testing for at least twelve (12) months, with up to ten (10) tests being administered during that period.

E. **Random Testing**

1. **Frequency and Selection**

   a. The random selection of Employees to be tested shall be based on a computer generated listing which shall ensure that there are no “safe periods” for any Employee. Each workday shall present every Employee with a substantially equal statistical chance of being required to submit to the random testing program, regardless of samples previously submitted.

   b. The number of random tests to be performed in any year shall be determined by the Director of Campus Safety or his/her representative and will ensure the
testing of fifty (50) percent of the Employees who are in the common selection pool.

c. The collection of specimens for random testing shall be evenly distributed throughout the year. The number of specimens collected weekly, monthly or quarterly shall remain relatively constant.

d. Random testing shall be conducted on different days of the week throughout the annual cycle to prevent Employees from anticipating patterns in collection schedules.

e. The computerized random selection listing shall be generated from the common selection pool of all Employees using a confidential identification number uniquely assigned to each individual Employee. The association with and identification of the Employee's name shall be known only to the Director of Campus Safety and his/her representative until such time as the daily selection for testing list is prepared for notification.

f. The process will be unannounced as well as random. Employees will be notified that they have been selected for testing after they have reported for duty on the day of collection.

g. An Employee shall not be required to submit to random testing more than three (3) separate times in one calendar year.

2. Procedure

a. Upon notification that an Employee has been selected for random testing, the Employee shall be required to report immediately to the Random Drug and Alcohol Testing Location, and no later than one (1) hour from notification.

b. Upon arrival at the Random Drug and Alcohol testing location, the Employee will identify him/herself by use of the photo identification card and present the original Random Drug and Alcohol Testing Notification Form.
c. Upon completion of the specimen collection process, the Employee will, if his/her shift is not completed, immediately return to duty status.

Compounds Tested for and Levels Measured

A. Drug Testing

If the initial drug screen test registers the following compounds at the levels listed in the middle column below, the sample provided by the Employee must be submitted to a confirmatory test. If the following compounds at the levels listed in column to the far right are found in the sample measured by GC/MS confirmation testing, such test will be considered a positive drug test. If the confirmation test reveals levels below those listed under the GC/MS column, such test will be considered negative:

B. Alcohol Testing

1. An initial test result of .019 or below is considered a negative result and the Employee is free to return to work.

2. An initial result of .02 or higher is considered neither negative nor positive and the Employee must undergo a confirmatory test as soon as practicable, but not to exceed thirty (30) minutes from the time of the original test in the event of a breathalyzer test.

a. If the confirmatory test registers below .02, the result will be considered negative and the Employee will be free to return to work.
b. If the confirmatory test registers between .02 - .039, the Employee will be presumed to be "under the influence", and will be immediately relieved of duty. At this confirmatory test level, the Employee will be offered an opportunity to present any rebuttal evidence to be considered in determining whether the Employee is in violation of this Policy. If the Employee is not able to overcome the presumption that he/she was under the influence, he/she will be subject to further disciplinary action up to and including discharge.

c. If the confirmatory test registers .04 or above, the test shall be considered positive, the Employee will be considered under the influence, the Employee will be immediately relieved of duty and subject to further disciplinary action up to and including discharge.

Types of Testing Permitted

The College may use any of the following types of testing for the presence of drugs and/or alcohol in an Employee's system:

A. Urine Testing
B. Evidentiary Breath Testing Device (Breathalyzer)
C. Blood Testing
D. Hair Follicle Testing
E. Saliva Testing

The College may choose to use one (1) type of test for drugs and a different type of test for alcohol. Should the College use more than one (1) type of test for drugs and should any one (1) type of test reveal a negative result, then the results of all drug tests shall be deemed negative. Should the College use more than one (1) type of test for alcohol and should any one (1) type of test reveal a negative result, then the results of all alcohol tests shall be deemed negative. If the lab results are deemed inconclusive by the testing laboratory, the results are neither negative nor positive and are inconclusive and a different test may be ordered by the College. For purposes of this paragraph, initial confirmatory tests of the same type do not constitute different types of tests.

Testing Procedures

In conducting the testing authorized by the Agreement, the College shall:
A. Use only a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory Act and is accredited by the National Institute of Drug Abuse (NIDA);

B. Establish a chain of custody procedure for both sample collection and testing that will ensure the integrity and confidentiality of the identity of each sample and test result;

C. Collect a sufficient sample of the body fluid or material from an Employee to allow for initial screening, a confirmatory test and a sufficient allowance for alternative testing if requested, and paid for, by the Employee;

D. Collect samples in such a manner as to insure a high degree of security for the sample and its freedom from adulteration and maintain those samples for a minimum of twelve (12) hours;

E. Use an accepted immunoassay method in conducting initial drug screening;

F. Confirm any sample that tests positive for drugs in the initial screening by testing the second portion of the same sample by gas chromatography mass spectrometry (GC/MS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites;
G. Be notified of a positive test result only after an initial positive test result is confirmed by positive test result in a second test on the same sample;

H. Provide each Employee tested with a copy of all test results and laboratory reports in connection with the testing upon request to the Director of Human Resources;

I. Ensure that the taking of urine samples shall not be witnessed, unless there is reasonable suspicion to believe that the Employee is tampering with the testing procedure;

J. Require the Employee to give a sample under direct observation of a same gender collection site person only if the collection site personnel or the representative of the College has reason to believe that an adulterated or substituted sample has been provided, or that the Employee may alter or substitute the sample; and

K. Ensure that no Employee is subject to any adverse employment action except temporary reassignment with pay or relief from duty with pay during pendency of any testing procedure. Any such reassignment or relief from duty shall be immediately discontinued in the event of a negative test result, and all records of the testing procedure will be expunged from the employee's personnel files.

Retest of Sample

A. An Employee who tested positive for drugs shall have the opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the Employee's own choosing and the Employee's own expense, provided that the laboratory is licensed to the Illinois Clinical Laboratory Act and that it is accredited by the National Institute of Drug Abuse (NIDA) and the Employee notifies the Director of Human Resources within forty-eight (48) hours of receiving the results of the tests.

B. The laboratory that performed the initial test shall deliver the sample to the laboratory of the Employee's choice to ensure the integrity of the chain of custody.

C. Quantization for a retest is not subject to a specific cutoff level requirement, but must provide data sufficient to confirm the presence of the drug or metabolite. Because some analytes may deteriorate or are lost during storage, detected levels of the drug below the detection limits established in this Agreement, but equal to or greater than the established sensitivity of the assay must, as
technically appropriate, be reported and considered corroborative of the original positive results.

D. An original copy of the results of the retest conducted by the Employee's chosen laboratory shall be delivered to the Director of Human Resources within ten (10) calendar days from the date the specimen was delivered to the Employee's selected laboratory.

E. If the laboratory chosen by the Employee within the time allotted disputes the positive finding(s) of the laboratory used by the College and such laboratory has used the same testing procedure used by the original laboratory, then no further action shall be taken against the Employee.

F. Except when any delay is the fault of the laboratory, if the laboratory chosen by the Employee fails to dispute the positive finding(s) within the allotted time, or if the Employee fails or refuses to elect the confirmatory testing procedure within the time or in the manner prescribed herein, or if the Employee fails to present the results of the second laboratory's test within the allotted time, the finding of a positive test result will stand.

Procedure Following a Positive Test Result

A. Upon receipt of notification of a positive test result, the Director of Human Resources, or his/her representative shall notify the affected Employee and request that he/she furnish documentation relating to the use of any legally prescribed drug(s) (e.g., prescription bottles bearing prescription numbers, prescribing physician's statement, etc.).

B. If an investigation reveals that the drugs have been legally prescribed to the Employee and that the Employee has consumed the drugs at a therapeutic level in accordance with prescription directions, no further action will be taken.

C. If an investigation reveals that the drugs have not been legally prescribed to the Employee, the Director of Human Resources or his/her representative may initiate disciplinary action.

Discipline

The first instance that an Employee tests positive on the confirmatory test for drugs or is found to be under the influence of alcohol is grounds for disciplinary action, up to and including discharge.
This Section shall in no way limit discipline for other offenses arising out of, related or aggravated by alcohol or drug abuse.

**Behavior That Constitutes Refusal to Submit**

The following behavior by an Employee will constitute a refusal to submit to drug and/or alcohol testing:

A. Alleged inability to provide sufficient quantities of breath for breath testing, unless there are extenuating documented medical conditions;

B. Failure to provide a urine sample within a reasonable period of time (not to exceed two (2) hours from the time the Employee received the notice to submit to testing) even after being provided with ample liquids and opportunity unless there are extenuating documented medical conditions;

C. Stating that he/she is ill and cannot complete the test when such Employee has been informed an impending test unless there are extenuating documented medical conditions;

D. Failing to remain readily available for post-accident testing or leaving the scene of an accident without a valid reason prior to submitting to a drug and/or alcohol test;

E. Tampering with a urine test; and

F. Refusing or failing to complete any step in the drug testing process (e.g., failing to report to the collection site), without a valid documented medical excuse.

**Violations of a Criminal Drug Statute**

A. If an Employee is convicted of a violation of a criminal drug statute he or she will be subject to discipline up to and including discharge.

B. If an Employee is convicted for driving under the influence of alcohol, he or she will be subject to discipline up to and including discharge.

C. If an Employee pleads guilty or nolo contendere ("no contest") to a violation of a criminal drug statute, the Employee must notify his/her Supervisor immediately, no later than the earlier of the next time such Employee is scheduled to work or three (3) days from the date of such plea. An Employee convicted in such a way of a violation
of a criminal drug statute will be subject to discipline up to and including discharge.

D. If an Employee pleads guilty or nolo contendere ("no contest") to a violation of a driving under the influence statute, the Employee must notify his/her Supervisor immediately, no later than the earlier of the next time such Employee is scheduled to work or three (3) days from the date of such plea. An Employee convicted in such a way of a violation of a criminal drug statute will be subject to discipline up to and including discharge.

Voluntary Requests for Assistance

The College shall take no adverse action against an Employee who voluntarily seeks treatment or counseling prior to being notified of his/her selection for drug and/or alcohol testing, provided that Employee has not tested positive on a previous drug and/or alcohol test administered by the College. The College shall assist an Employee seeking assistance by making available means by which referrals and/or a lawyer may be obtained (Employee Assistance Program).

All such requests shall be confidential. When undergoing treatment and evaluation, employees shall be allowed to use accumulative sick and/or paid leave and/or be placed on unpaid leave pending treatment.

Confidentiality

All information acquired in the drug and alcohol testing process, including but not limited to the results of an Employee’s drug or alcohol test and/or information regarding a treatment program will be kept in secured files, separate from personnel files, and will be held in confidence. Disclosure will be limited to members of the College’s management who the College believes must be aware of this information. Unless otherwise permitted or required by law, this information will not be disclosed by the College to any other employer, individual, or organization without the applicant’s or the Employee’s written consent.

Pre-Employment Testing

The foregoing Chemical Testing policy shall not limit the right of the College to conduct such pre-employment drug and/or alcohol testing as it may deem appropriate on persons seeking employment in the College.
