Gainful Employment Disclosure
The U.S. Department of Education requires colleges with financial aid eligible programs that “prepares students for gainful employment in a recognized occupation” to disclose certain information about these programs. For more information about our graduation rates, the median debt of students who have completed the program, and other important information related to the program, please visit our website at prairiestate.edu/ge. We hope that this information is helpful in making informed choices about your education.
