The Adult Education Program at Prairie State College serves a diverse population of adult learners. Take advantage of what we have to offer.

- **Adult Basic Education (ABE)** classes for students to improve their basic reading, writing, and math skills.
- **General Educational Development (GED)** classes are offered in English and Spanish for students to complete their high school equivalency studies and prepare for the GED exam.*

*For more information, call (708) 709-3500.*

*16-17 year old students must provide documentation proving formal withdrawal from high school.

According to the Stevens Amendment Act, the grant-funded portion of the Adult Education and Family Literacy Program at Prairie State College for Fiscal Year 2015 is 33 percent financed with federal funds totaling $181,724.

It is the policy of Prairie State College to provide, on a flexible and individualized basis, reasonable accommodations to students who have disabilities.
