**AUTOMOTIVE**

**Auto Repair 101 - For the Mr. and Miss Fix-Its and New Teen Drivers**
Being safe on the road pertains to more than just driving. You also need to know what to do in case your car breaks down. From changing your oil to changing your tire, our expert will teach you how to do it safely and how to do it right. General maintenance and other must-know repairs will be demonstrated in class. The two morning sessions are geared for teen drivers. You will feel more secure driving once you know how to handle those dreaded road emergencies.

time: 05:00pm-09:00pm  
location: T 120

**DRAWING AND PAINTING**

**Watercolor Painting**
Learn to paint in watercolor. This course is designed to cover the various techniques and methods of applying paint in watercolor on paper, and covers uses of appropriate materials and supplies. Whether you have no painting skills or some skills, this class will be a tremendous benefit for you. There will be slide presentations, demonstrations of techniques, hands-on painting and individual review of student work. Students will be given ample time to work in the media trying new and familiar techniques, painting still life, landscapes and abstract subjects. A supply list will be emailed to the student before the start of class.

dates: May 26-May 28  days: TTH
time: 06:00pm-09:30pm  location: K 115

DIY: How to Become a Mr. or Miss Fix It...Extended!
This class has been extended to 12 hours of hands-on training. Why pay someone else to do the basic repairs around your home when you can learn to do them yourself? Learn how to use the most common power tools safely and productively. Learn how to choose the right paint or stain, patch a wall, choose the right caulk, repair a door, replace a lockset, repair a toilet, and replace a faucet. Also, learn how to install a light fixture and ceiling fan, replace a circuit breaker safely, replace an electrical outlet and switch, and more.
code: PIHIM-090-PS  cost: $99
dates: July 14-July 22  days: TW
time: 06:00pm-09:00pm  location: K 115

ORGANIZATION

Paper Management - Reduce and Go Paperless
This workshop will teach you how to reduce all those stacks of papers and files in your home to an organized system where you can find those important documents in an instant. If you would really like to go paperless, our organization expert, Kristine Todd, will show you how simple it really is. Reserve your seat now so you can benefit from being better organized.
