Automotive

Auto Repair 101
For the Mr. and Miss Fix-It’s and New Teen Drivers
Being safe on the road pertains to more than just driving. You also need to know what to do if your car breaks down. From changing your oil to changing your tire, our expert will teach you how to do it safely and how to do it right. General maintenance and other must-know repairs will be demonstrated in class. You will feel more secure driving once you know how to handle those dreaded road emergencies.

code: PIVOC-015-PS (teens)
cost: $35

House and Home

DIY: Basic Ceramic Tile Installation
Learn about using the right substrate, surface preparation, tile layout, spreading mastic and thinset, installing floor and wall tile, making cuts, and grouting. Find out about the proper techniques for installing ceramic tile on countertops and stairs. Learn to choose the right tile, what tools are needed, and to estimate materials.

code: PIHIM-007-PS
cost: $59
dates: Oct 03
time: 09:00am-01:00pm
location: K 115

DIY: Advanced Ceramic Tile Installation
This class is actually a two-part class. You will learn all of the techniques that are covered in the Basic Ceramic Tile Installation, along with some advanced skills training. Students will learn how to use two different methods for installing wall tile using different types of mastic. Hands-on training also will include building a countertop out of plywood, cutting out for the sink, installing substrate, and installing the ceramic tile on top. We also will practice trimming out the counter’s edge with oak trim and bull-nose tile.

code: PIHIM-036-PS
cost: $89
dates: Oct 03-Oct 10
time: 09:00am-01:00pm
location: K 115

DIY: How to Become a Miss or Mr. Fix It... Extended!
This class has been extended to 12 hours of hands-on training. Why pay someone else to do the basic repairs around your home when you can do them yourself? Learn how to use the most common power tools safely and productively. Learn how to choose the right paint or stain, patch a wall, choose the right caulk, repair a door, replace a lockset, repair a toilet, and replace a faucet. Also, learn how to install a light fixture and ceiling fan, replace a circuit breaker safely, replace an electrical outlet and switch, and more.

code: PIHIM-090-PS
cost: $119
dates: Sept 12-Sept 26
time: 09:00am-01:00pm
location: K 115

DIY: Plumbing Repairs Made Easy
Learn how to do small plumbing repairs in this hands-on class. Learn to install and repair a faucet, fix a leaky toilet, sweat copper pipes, and work with PVC pipe and fittings.

code: PIHIM-001-PS
cost: $49
dates: Nov 07
time: 09:00am-01:00pm
location: K 115
