

PSC offers a supportive environment for veterans. We want to ease the transition from boots to books and help veterans adjust to college life.

We invite you to come in and visit the Student Veterans Center. PSC wants to provide a welcoming place for the brave men and women who have served our nation in war and in peace. We stand ready to help you transition back to civilian life.

Student Veterans Center

Student Veterans Center at Prairie State College

At Prairie State College (PSC), we understand the unique challenges a veteran faces when rejoining civilian life and starting college after several, and sometimes many years, outside of the classroom. To help make that transition easier, we opened the Student Veterans Center. The PSC Student Veterans Center is the central hub for our veterans program. It is a dedicated area designated for veterans, located just off the atrium in room 1240. The Student Veterans Center offers a mini-USO feel. It is a one-stop shop for veterans to connect and network with one another.

Services available in the Student Veterans Center:

- Financial aid and benefits advising
- Free printing
- Computer access with CAC reader
- Veteran tutoring services
- Veteran to veteran mentoring services
- Assistance obtaining military transcripts
- Town hall meetings and veteran specific orientations

Services extend to all military service members of all branches, regardless of combat or field deployment time, and including National Guard members and reservists, as well as dependants and spouses.

Benefits include:

- Networking opportunities with other veterans
- Information on veteran community resources including healthcare referrals, housing, and other veteran benefits
- Workshops on topics of interest to veterans
- Relaxing, quiet place to study and transition from boots to books.
