

Prairie State College:

Preparing students for life in the 21st Century

Prairie State College's Global Perspective Program aims to expand students' horizons and prepare them for the rapidly changing global economy through an engaging interdisciplinary learning curriculum, culminating with a study abroad trip to the Central African Republic of Cameroon.

Goals of the program include:

- Prepare students to be global citizens
- Prepare students for a global economy

Opportunity to travel leads to:

- Undergraduate degrees
- Graduate degrees
- Global careers
- Global and local civic engagement
- Global perspective socially and professionally

Global Perspectives Program

The Cameroon Study Abroad
Capstone Project

 Prairie State College

Cameroon

The Global Perspectives Program is a thematic program focused on expanding a student's educational experience to include an introduction to various cultures, social, and political systems.

Students enrolled in the Global Perspectives Program will:

- Select Global Perspective designated courses
 - Courses include art, music, business, literature, philosophy, humanities, sociology, history, and political science
- Participate in the Cameroon Study Abroad Capstone Project.
 - A 10-day intensive study abroad opportunity for students in the Global Perspectives Program

Help Prairie State College prepare students to be global citizens by Supporting the Cameroon Study Abroad Capstone Project.

Your support will provide students:

- The opportunity for global travel
 - For many it will be their first opportunity for global travel
- The opportunity to focus on Cameroon, an emerging African state
 - Most study abroad programs focus on Europe, Latin America, or China.
- The opportunity to interact with people of different ethnicities through day to day conversation
 - Cameroon has 250 ethnic groups
 - Cameroon is a microcosm of Africa
- A global experience of a lifetime

You can help PSC students to study abroad

The Prairie State College Foundation is a non-profit 501(c)3 organization committed to excellence in education by promoting PSC and enhancing the opportunities for students.

Your donation for Global Perspectives programs will provide vital financial assistance to qualifying PSC students who wish to study abroad. One hundred percent of all contributions will benefit qualifying PSC students.

All donations are tax deductible (please consult your tax advisor), and you will receive written acknowledgment for your records.

Please consider a gift which will enrich PSC students' international understanding and help them to prepare for careers in a global economy.
