60 YEARS EDUCATING THE COMMUNITY SINCE 1958
MESSAGE FROM PRESIDENT DR. TERRI L. WINFREE:
In 2018, Prairie State College is celebrating 60 years of educating the community. Since we began offering courses in 1958 as Bloom Community College, PSC has grown in many ways—in size, in facilities, in breadth and depth of educational options, and in reputation. Over the coming months, be on the lookout for special events celebrating PSC over the years. We hope that you are able to join in our celebration. We are proud to be your community college, and invite you to become a part of our history.

Late Registration Procedures—Credit Classes Only

- If the class is not full, students do not need an instructor’s consent to register during the first two days of the term (up until 11:59 p.m. of second day). This applies to all standard session classes—16-week, 14-week, 12-week, first and second 8-week, and first and second session summer classes.
- Students do not need instructor’s consent to register if a class has not yet met. (For example, if a class meets Thursday, Friday, or Saturday, students may register up to the time the class begins if space is available).
- Registration is not permitted after the published last day to register (see dates on left of this page). Review your current class schedule to ensure you are officially enrolled in ALL classes you are attending.

Online: To start an online class, log in to Desire2Learn and select your class. Your class begins on the start date listed in the schedule.

Class Attendance

- You must attend ALL classes you register for at PSC. If you register for a course and never attend, you can be dropped from the course for non-attendance.
- If you are dropped from a course for non-attendance you must re-enroll by the last day to register or enroll in a course that begins later in the semester.
- If you no longer plan on attending a course you MUST officially drop the course. Neglecting to drop the course will result in a failing grade and you owing tuition and fees for the course.

Payment

- Financial aid application priority deadline is on or before Nov. 1.
- Payment due or payment plan must be set up by Dec. 12. See page 7 for payment information.

Dropped from a course:

Students dropped from a course for any reason such as non-payment, non-attendance, not satisfying course pre-requisites, etc., can experience a reduction and/or ineligibility of financial aid.

You also may pay your tuition in full with a credit card online using Nelnet e-Cashier for no additional fee. Scholarships or financial aid refunds will not be refunded to a credit card. Refunds will be paid by PSC to the account that you designate through Higher One. For more information see prairiestate.edu/tuitionrefunds.

If you have applied for financial aid, you may be eligible to postpone your first payment. For more information, contact the Financial Aid Office at (708) 709-3735.

Bookstore Payment Plan
Eligible students may defer part of the cost of book purchase that total at least $300 and have a Nelnet agreement in place for their tuition. The payment terms for the remaining balance are the same as the payment plan.

Third-Party Payments
The college accepts payments by third parties on student accounts, but any refund due is made directly to the student.

Returned Checks
A service fee of $25 is charged for each check that is returned by the bank for non-payment. The college also will not accept another check from your account for one year. If checks are not made good within two weeks of notification, your account may be placed with a credit agency for collection. If your check is returned due to stop payment or account closed, the college will not accept checks on your account for 10 years.

Refunds
Refunds for credit classes are administered through PSC’s partnership with BankMobile Disbursements. New students will receive, in the mail at your primary address on file with PSC, a personal code necessary to set up a refund preference. More information is available at refundselection.com.

Course Withdrawal Policy
The college has a strict policy governing credit course withdrawal. Students are responsible for withdrawing from credit courses by the withdrawal deadline. See the academic calendar on page 4 for applicable deadline dates. Students who request to be administratively withdrawn from a course after the deadline are required to submit a formal, written appeal to the Counseling and Academic Advising Center. Appeals should only be submitted in the event of extreme emergency situations, with adequate support documentation explaining why a student was unable to withdraw from the course before the deadline. Appeals are reviewed by the Dean of Student Services. For classes less than 8-weeks, see prairiestate.edu/tuitionrefunds.
Re-Enrollment Fee
Students dropped for nonpayment can re-register for courses. Re-registration will be permitted based upon course availability. Students will be billed a $25 fee.

Dropping a Course
If you decide to stop attending a credit course you must officially withdraw from the course. Students can drop a course in Enrollment Services or on WebAdvisor. Courses dropped online using WebAdvisor must be done by course refund date. Courses dropped after the refund period will result in a grade of W and must be done in person. See the academic calendar on page 4 for applicable deadline dates. For more information, contact Enrollment Services at (708) 709-3516.

Audit Policy
If you are not concerned with receiving college credit, you may take a course as an auditor. No letter grade is given, and you'll receive no academic credit. Consult the registration calendar for audit deadlines. For information, call Enrollment Services at (708) 709-3516.

   Students who wish to audit a course must meet all course prerequisites and comply with the following procedure:
   1. Register for the course in question.
   2. Pay all applicable tuition and fees.
   3. Complete an audit request (student petition) form, available in Enrollment Services. Some exclusions apply.

Course Cancellations
The college may change course offerings during the registration period. Occasionally, a course is cancelled if there are not enough students enrolled. If this happens, the college will do everything possible to notify you before the first class meeting. You will have the option of registering for another course or receiving a full refund.

Cooperative Agreements
If your local Illinois community college district does not offer a program that is offered by PSC, you may be eligible to receive assistance from your district’s community college. You must obtain a “Cooperative Agreement” form from your local community college. If approved by your community college, you must present the signed form to PSC at registration, and you will be billed at PSC’s in-district rates. For more information, contact Enrollment Services at (708) 709-3516.

Course Attendance
You must attend the courses you register for at PSC. If you register for a course and never attend, you can be dropped from the course for non-attendance. Course attendance is important to academic success. If you will be unable to attend any courses in which you enrolled, you must drop them. Refer to the academic calendar and the college refund table for applicable dates. All of this information is located at prairiestate.edu. Use the A-Z index where information is arranged alphabetically.

Refunds for Credit Courses
You may be eligible for a full or partial refund of your tuition and student fees. Registration fees and some lab fees are non-refundable. The refund is based on your withdrawal date. Visit prairiestate.edu/tuition-refunds for the current refund table.

The Financial Aid Census Date May Impact You
The financial aid census date records the number of credit hours taken by a student. Any courses that are added or dropped after the census date will not result in an adjustment to the financial aid award. Courses added after the census date could result in the student owing the college money. This means that students MUST review their schedules to ensure they are officially enrolled in each course they are attending. Students withdrawing from all courses, or students who stop attending all courses, will receive a reduction in the original award amount even after the census date.

Enrollment Residency Information
Enrollment residency information can be viewed at prairiestate.edu/enroll.

Employment In-District
View our policy for tuition for in-district employees by visiting prairiestate.edu and selecting Tuition and Fees from A-Z Index.
Financial Aid

How to Apply
The financial aid process can take up to 30 days.

1. Complete the Free Application for Federal Student Aid (FAFSA)
The school code for PSC is 001640. Apply online at fafsa.gov. Note: The 2016 federal income tax return is needed to complete the FAFSA. Students can link to the IRS website to download their federal income tax information. Students who do not download the information from the IRS will have to obtain a tax transcript from the IRS and submit it to the Financial Aid Office for verification.

The FAFSA form is available at studentaid.ed.gov. Complete the form and mail it in for processing. Or call (800) 433-3243 or (319) 337-5665 to request a form. The hearing impaired should call (800) 730-8913. Using the non-electronic version of the FAFSA adds additional time to the process. Note: Your PSC admissions application should also be completed prior to beginning the financial aid process.

2. Notification from Department of Education
If PSC’s school code is listed in your FAFSA, the college will receive your report in about 14 days. If you completed a paper FAFSA, the notification takes longer.

3. Notification from PSC
Once PSC receives your FAFSA from the Department of Education, a letter will be mailed indicating the documents needed to complete your financial aid file.

4. Complete PSC financial aid application and other required documents
The PSC application along with other forms is available at prairiestate.edu. Bring all documents to the Financial Aid Office.

5. Determination Letter
Once all documents are submitted to the Financial Aid Office, an award or ineligible letter is sent. Continuing students also can view the award letter in the student’s WebAdvisor account.

Additional Information
All information must be submitted to the PSC Financial Aid Office by the deadline to ensure completion before payment due date. Students unable to meet the deadline are encouraged to complete their financial aid file, but are responsible for paying for classes by the payment due date.

Priority deadline for each semester:
May 1 - fall; Oct. 1 - spring; March 1 - summer

Withdrawals and Attendance
Title IV funds are awarded assuming the student will attend school for the entire period for which the assistance is awarded. If a student withdraws from all classes, he/she may no longer be eligible for the full amount of Title IV funds. If a recipient withdraws from school after beginning attendance, the amount of a Title IV grant or loan earned by the student must be determined. If PSC has disbursed more aid than the student has earned, the unearned aid will be to be returned to the Department of Education (return of funds) and may result in a balance due to PSC from the student.

Non Attendance Resulting in “FW” Grades
If you stop attending a credit course, you must officially withdraw from the course. If you neglect to officially withdraw and complete the semester with all “FW” or “FW and W grades, this may result in a return of funds and the student owing a balance to the college. This may result in ineligibility for a full award and the student owing a balance to the college.

Special Circumstances
Financial aid eligibility may be re-evaluated due to changes in income. If you have experienced a reduction of income in comparison to the income stated on your FAFSA, visit the Financial Aid Office.

Available Grants and Loans
For students who qualify, the following federal and/or state programs may provide financial assistance:
- Federal Direct Plus Loan
- Federal Direct Student Loan
- Federal Direct Unsubsidized Loan
- MAP Grant
- Pell Grant
- Supplemental Educational Opportunity Grant (FSEOG)
- Work Study
- MAP Grant

Student Loans
Loans are available for students and/or parents. This type of funding must be repaid according to the terms specified by the loan program.

In order to obtain a loan, a student must complete a FAFSA, receive an award letter or ineligible letter, and have an entrance interview with the loan advisor. Loan interviews are by appointment only. Note: BankMobile Disbursements processes all financial aid refunds and loan proceeds. Students must make a refund preference at refundselection.com, using a personal code received in the mail at your primary address on file with PSC.
Financial Aid

Scholarships
Scholarships are another source of funding. The PSC Foundation offers many scholarships for PSC students. Complete the online scholarship application available at prairiestate.edu/foundation. The PSC Foundation awards more than $75,000 in scholarships annually to students who are not fully funded through any other source.

Financial Aid
Satisfactory Requirements
You must maintain academic progress as evidenced by passing (grades of A, B, C, or D) at least 67 percent of the courses you attempt within your certificate or degree and obtaining an overall 2.0 cumulative grade point average in all PSC coursework. If you receive a grade of I, F, W, FW, or Audit, you have not completed the course. You may take a maximum of 90 credit hours to be eligible for financial aid. This includes credit hours transferred to PSC from other institutions and all PSC coursework. Academic progress is reviewed each semester.

How to Ensure Your Financial Aid Request is Processed Promptly:
• Apply early – You can submit your FAFSA as early as Oct 1. Early submission increases the chances of your being eligible for additional grants.
• Complete a PSC application – New students must complete a PSC admissions application in order for the college to access your FAFSA.
• Update your PSC address - Information regarding your financial aid application will be mailed to the address on record with the college. A wrong address may mean a delay.
• Use the data retrieval tool on FAFSA - The tool used to retrieve your tax information from the Internal Revenue Service (IRS), decreasing the need for an official IRS transcript.
• Ensure accuracy of information - Errors on your FAFSA or other documents can cause a delay with the determination of your financial aid eligibility.
• Submit requested documents as soon as possible – Submit requested documents immediately, otherwise there may be a further delay in determining financial aid eligibility.*

*Additional documents may be requested. The need for additional documents cannot be determined until the initial documents are reviewed.

Veterans and Military

Veterans receive one-on-one advising throughout the admissions process and continued support throughout their academic career at PSC. Veterans are eligible for early registration. Services extend to all service members regardless of when they served or whether it was in the active, reserve, or National Guard component.

The Student Veterans Center provides academic and social support to veterans with an emphasis on graduation and successful integration into the college. At the center, PSC student veterans can study and socialize with fellow veterans and find information about the services available to them at PSC and in the community.

It is located in room 1240 of the main building. The center is accessible and offers many amenities for veterans including free printing. For more information, call (708) 709-3567 or email vetcenter@prairiestate.edu.

Veterans Benefit Programs
The federal and state governments have several programs available to assist veterans, spouses, and their dependents in paying for college and reaching their educational and vocational goals. Programs include:
• Illinois Veterans Grant (IVG)
• Illinois National Guard Grant (ING)
• Illinois MIA/POW Scholarship (for spouses and dependents)
• Montgomery GI BILL Educational Benefits (Chapter 30, Post 9/11, Chapter 1606 and 1607)
• Department of Veteran’s Affairs Vocational Rehabilitation (Chapter 31)
• Department of Veteran’s Affairs Dependents Educational Assistance Program (Chapter 35)

Veterans who are not sure what benefits they qualify for should contact the Student Veterans Center coordinator, or consult the U.S. Department of Veteran’s Affairs website at gibill.va.gov. Educational Counselors also are available at the Department of Veteran’s Affairs at (888) 442-4551 or call an ISAC Call Center Representative at (800) 899-ISAC(4722). Note: BankMobile Disbursements processes all financial aid refunds and loan proceeds. Students must make a refund preference at refundselection.com, using a personal code received in the mail at your primary address on file with PSC.
Placement Testing

Preparing for the placement test pays off with financial savings, and also in time savings. Take the test seriously. Prepare and do the best you can. Placement in college level courses is important.

Testing Schedule
For a complete schedule, visit prairiestate.edu and select Assessment and Placement from the A-Z index.

What is the Placement Test?
The placement test is a computerized and written assessment test that confirms your readiness to take college-level classes by determining your prior level of achievement in English, math, and reading.

What sections are in the Placement Test?
The placement test is comprised of three sections: math, reading, and English.

Do I have to take the Placement Test?
Yes. All new students entering college for the first time are required to take the placement test and meet with an advisor prior to registering for classes. SAT or ACT scores may be used in place of the placement test. Some restrictions apply (See below).

If I have taken the ACT do I have to take the Placement Test?
ACT scores may be used in place of the placement test. An ACT score of 22+ in reading and a 17+ in English places a student directly into English 101. An ACT reading score of 22+ exempts a student from having to take the reading placement test. Math ACT placement is determined by a student’s academic program. Students should meet with an academic advisor for more information.

Should I study for the Placement Test?
Yes. Students should study before taking the placement test because the results determine course placement. The placement test determines whether developmental courses are required, or whether you can register immediately for college-level classes. Developmental courses do not count as college credit. A higher score on the placement test may lead to placement in college-level courses.

The Day of the Test
Location: Testing Center Room 2505
• A photo ID is required to take the test.
• A PSC student ID number is required to take the test.
• The test takes an average student up to three hours to complete. Please allow yourself enough time to successfully complete the exam. Note: The test can be broken into multiple sessions and taken on different days.
• Children and guests are not allowed in the Testing Center.

After the Test
Within a week, your scores will be forwarded to the Counseling and Academic Advising Center, where you will meet with a member of the advising team to review your scores and select your classes.
Transfer Information

The Counseling and Academic Advising team is your connection to making a successful transfer to a four-year college or university to earn your bachelor’s degree. Online resources are available at: prairiestate.edu/counselingadvising/transferstudents.

PSC is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement among the more than 100 Illinois colleges, universities, and community colleges. Participating schools agree to accept a “package” of IAI general education courses instead of their comparable lower-division general education requirements.
