

Viewing Content in Desire2Learn (D2L)

1. Log in to D2L and go to your course.
2. Select **Content** from the navigation bar.

3. You will see a list of the Modules available to you with a Table of Contents on the left side.

4. Click on an item in the Module to access it.
5. To view the Module topics when accessing an item, click the arrow on the left side to expand the Module list. Click the arrow again to hide the Module list.
