

The Minibar in Desire2Learn (D2L)

The minibar across the top of D2L provides you with useful links to various features of D2L. This minibar will always appear at the top of the page as you move through D2L.

1. **My Home:** Clicking this will always bring you back to the first page you see when you log in to D2L.
2. **Select a course:** Clicking on this will allow you to go to any of your courses without having to go back to My Home.
3. **Message Alerts:** Clicking on this will allow you to access the Pager tool for instant messaging. It will show a red dot when you have a new message.
4. **Update Alerts:** Clicking on this will allow you to access News notifications from your classes. It will show a red dot when you have a new notification.
5. **Chatter Alerts:** Clicking on this will show you discussion topic notifications for topics you have subscribed to. It will show a red dot when you have a new notification.
6. **Profile Picture and Name:** Clicking on your name will allow you to access your profile, notification settings, and account settings. You can also log out of D2L by clicking on **Logout**.
