

### Filling in a PDF Form Electronically

Rather than printing a PDF form and then filling it out by hand, you can use one of the sites listed below to fill out your PDF form electronically.

- [Fillanypdf.com](http://Fillanypdf.com)
- [Pdfescape.com](http://Pdfescape.com)
- [Pdfzen.com](http://Pdfzen.com)

Each of these websites will allow you to fill out a PDF form for free then save, print or send it to others.

The basic steps for using these websites is as follows:

1. Go to the website and click the Open/Upload form button.
2. When your form is ready for editing, you will see the text and graphic tools.
3. Use the available tools to enter your information onto the form.
4. When you are done, select the appropriate option for saving, printing or sharing your form.
