To verify that you provided correct information, the financial aid administrator will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator. We may ask for additional information. **Until all forms/documents are received, your aid cannot be processed.** If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.
