**Payment and Refund Information**

### Bookstore Payment Plan
Eligible students may defer part of the cost of book purchase that total at least $300 and have a Nelnet agreement in place for their tuition. The payment terms for the remaining balance are the same as the payment plan.

### Third-Party Payments
The college accepts payments by third parties on student accounts, but any refund due is made directly to the student.

### Returned Checks
A service fee of $25 is charged for each check that is returned by the bank for non-payment. The college also will not accept another check from your account for one year. If checks are not made good within two weeks of notification, your account may be placed with a credit agency for collection. If your check is returned due to stop payment or account closed, the college will not accept checks on your account for 10 years.

### Refunds
Refunds for credit classes are administered through PSC’s partnership with BankMobile. Each PSC student has or will receive a PSC One Card in the mail at the primary address on file with PSC. Students can then use this card to make a choice on how they choose to receive their refund. More information is available at refundselection.com.

### Course Withdrawal Policy
The college has a strict policy governing credit course withdrawal. Students are responsible for withdrawing from credit courses by the withdrawal deadline. See the academic calendar on page 4 for applicable deadline dates. Students who request to be administratively withdrawn from a course after the deadline are required to submit a formal, written appeal to the Counseling and Academic Advising Center. Appeals should only be submitted in the event of extreme emergency situations, with adequate support documentation explaining why a student was unable to withdraw from the course before the deadline. Appeals are reviewed by the Dean of Student Development and Campus Life. For classes less than 8-weeks, see prairiestate.edu/tuitionrefunds.

Re-Enrollment Fee
Students dropped for nonpayment can re-register for courses. Re-registration will be permitted based upon course availability. Students will be billed a $25 fee.

Dropping a Course
If you decide to stop attending a credit course you must officially withdraw from the course. Students can drop a course in Enrollment Services or on WebAdvisor. Courses dropped online using WebAdvisor must be done by course refund date. Courses dropped after the refund period will result in a grade of W and must be done in person. See the academic calendar on page 4 for applicable deadline dates. For more information, contact Enrollment Services at (708) 709-3516.

Audit Policy
If you are not concerned with receiving college credit, you may take a course as an auditor. No letter grade is given, and you will not receive academic credit. Consult the registration calendar for audit deadlines. For information, call Enrollment Services at (708) 709-3516.

Students who wish to audit a course must meet all course prerequisites and comply with the following procedure:
1. Register for the course in question.
2. Pay all applicable tuition and fees.
3. Complete an audit request (student petition) form, available in Enrollment Services. Some exclusions apply.

Course Cancellations
The college may change course offerings during the registration period. Occasionally, a course is cancelled if there are not enough students enrolled. If this happens, the college will do everything possible to notify you before the first class meeting. You will have the option of registering for another course or receiving a full refund.

Cooperative Agreements
If your local Illinois community college district does not offer a program that is offered by PSC, you may be eligible to receive assistance from your district’s community college. You must obtain a “Cooperative Agreement” form from your local community college. If approved by your community college, you must present the signed form to PSC at registration, and you will be billed at PSC’s in-district rates. For more information, contact Enrollment Services at (708) 709-3516.

Course Attendance
You must attend the courses you register for at PSC. If you register for a course and never attend, you run the risk of being dropped from the course(s). Course attendance is important to academic success. If you will be unable to attend any courses in which you enrolled, you must drop them. Refer to the academic calendar and the college refund table for applicable dates. All of this information is located at prairiestate.edu. Use the A-Z index where information is arranged alphabetically.

Refunds for Credit Courses
You may be eligible for a full or partial refund of your tuition and student fees. Registration fees and some lab fees are non-refundable. The refund is based on your withdrawal date. Visit prairiestate.edu/tuition-refunds for the current refund table.

The Financial Aid Census Date May Impact You
The financial aid census date records the number of credit hours taken by a student. Any courses that are added or dropped after the census date will not result in an adjustment to the financial aid award. Courses added after the census date could result in the student owing the college money. This means that students MUST review their schedules to ensure they are officially enrolled in each course they are attending. Students withdrawing from all courses, or students who stop attending all courses, will receive a reduction in the original award amount even after the census date.

Enrollment Residency Information
Enrollment residency information can be viewed at prairiestate.edu/enroll.

Employment In-District
View our policy for tuition for in-district employees by visiting prairiestate.edu and selecting Tuition and Fees from A-Z Index.
Financial Aid

How to Apply
The financial aid process can take up to 30 days.

1. Complete the Free Application for Federal Student Aid (FAFSA)
The school code for PSC is 001640. Apply online at fafsa.gov. Note: The previous year’s federal income tax return is needed to complete the FAFSA. Students can link to the IRS website to download their federal income tax information. Students who do not download the information from the IRS will have to obtain a tax transcript from the IRS and submit it to the Financial Aid Office for verification.

2. Notification from Department of Education
If PSC’s school code is listed in your FAFSA, the college will receive your report in about 14 days. If you completed a paper FAFSA, the notification takes longer.

3. Notification from PSC
Once PSC receives your FAFSA from the Department of Education, a letter will be mailed indicating the documents needed to complete your financial aid file.

4. Complete Rights and Responsibilities form and other required documents
The Rights and Responsibilities form along with other forms is available at prairiestate.edu. Bring all documents to the Financial Aid Office.

5. Determination Letter
Once all documents are submitted to the Financial Aid Office, an award or ineligible letter is sent. Continuing students also can view the award letter in the student’s WebAdvisor account.

Additional Information
All information must be submitted to the PSC Financial Aid Office by the deadline to ensure completion before payment due date. Students unable to meet the deadline are encouraged to complete their financial aid file, but are responsible for paying for classes by the payment due date.

Priority deadline for each semester:
May 1 - fall; Oct. 1 - spring; March 1 - summer

Withdrawals and Attendance
Title IV funds are awarded assuming the student will attend school for the entire period for which the assistance is awarded. If a student withdraws, he/she may no longer be eligible for the full amount of Title IV funds. If a recipient withdraws from school after beginning attendance, the amount of a Title IV grant or loan earned by the student must be determined. If PSC has disbursed more aid than the student has earned, the aid needs to be returned.

Non Attendance Resulting in “FW” Grades
If you stop attending a credit course, you must officially withdraw from the course. If you neglect to officially withdraw and complete the semester with all “FW” grades, the midpoint of the semester is held as the last date of attendance. This may result in ineligibility for a full award and the student owing a balance to the college.

Special Circumstances
Financial aid eligibility may be re-evaluated due to changes in income. If you have experienced a reduction of income in comparison to the income stated on your FAFSA, visit the Financial Aid Office.

Available Grants and Loans
For students who qualify, the following federal and/or state programs may provide financial assistance:

- Federal Direct Plus Loan
- Federal Direct Student Loan
- Federal Direct Unsubsidized Loan
- MAP Grant
- Pell Grant
- Supplemental Educational Opportunity Grant (FSEOG)
- Work Study

Student Loans
Loans are available for students and/or parents. This type of funding must be repaid according to the terms specified by the loan program.

In order to obtain a loan, a student must complete a FAFSA, receive an award letter or ineligible letter, and have an entrance interview with the loan advisor. Loan interviews are by appointment only.
Financial Aid

Scholarships
The PSC Foundation offers need-based scholarships for students who are pursuing a degree or certificate from PSC. The summer 2019 application opens April 8. Complete the online scholarship application available at prairiestate.edu/foundation. Applications are reviewed in the order in which they are received.

Financial Aid
Satisfactory Requirements
You must maintain academic progress as evidenced by passing (grades of A, B, C, or D) at least 67 percent of the courses you attempt within your certificate or degree and obtaining an overall 2.0 cumulative grade point average in all PSC coursework. If you receive a grade of I, F, W, FW, or Audit, you have not completed the course. You may take a maximum of 90 credit hours to be eligible for financial aid. This includes credit hours transferred to PSC from other institutions and all PSC coursework. Academic progress is reviewed each semester.

How to Ensure Your Financial Aid Request is Processed Promptly:
• **Apply early** – You can submit your FAFSA as early as Oct. 1. Early submission increases the chances of you being eligible for additional grants.
• **Complete a PSC application** – New students must complete a PSC admissions application in order for the college to access your FAFSA.
• **Update your PSC address** - Information regarding your financial aid application will be mailed to the address on record with the college. A wrong address may mean a delay.
• **Use the data retrieval tool on FAFSA** - The tool used to retrieve your tax information from the Internal Revenue Service (IRS), decreasing the need for an official IRS transcript.
• **Ensure accuracy of information** - Errors on your FAFSA or other documents can cause a delay with the determination of your financial aid eligibility.
• **Submit requested documents as soon as possible** – Submit requested documents immediately, otherwise there may be a further delay in determining financial aid eligibility.*

*Additional documents may be requested. The need for additional documents cannot be determined until the initial documents are reviewed.

Veterans and Military

Veterans receive one-on-one advising throughout the admissions process and continued support throughout their academic career at PSC. Veterans are eligible for early registration. Services extend to all service members regardless of when they served or whether it was in the active, reserve, or National Guard component.

The Student Veterans Center provides academic and social support to veterans with an emphasis on graduation and successful integration into the college. At the center, PSC student veterans can study and socialize with fellow veterans and find information about the services available to them at PSC and in the community.

It is located in room 1240 of the main building. The center is accessible and offers many amenities for veterans including free printing. For more information, call (708) 709-3567 or email vetcenter@prairiestate.edu.

Veterans Benefit Programs
The federal and state governments have several programs available to assist veterans, spouses, and their dependents in paying for college and reaching their educational and vocational goals. Programs include:
• Illinois Veterans Grant (IVG)
• Illinois National Guard Grant (ING)
• Illinois MIA/POW Scholarship (for spouses and dependents)
• Montgomery GI BILL Educational Benefits (Chapter 30, Post 9/11, Chapter 1606 and 1607)
• Department of Veteran’s Affairs Vocational Rehabilitation (Chapter 31)
• Department of Veteran’s Affairs Dependents Educational Assistance Program (Chapter 35)

Veterans who are not sure what benefits they qualify for should contact the Student Veterans Center coordinator, or consult the U.S. Department of Veterans Affairs website at gibill.va.gov. Educational Counselors also are available at the Department of Veterans Affairs at (888) 442-4551 or call an ISAC Call Center Representative at (800) 899-ISAC(4722).
Placement Testing

1. What is the Placement Test?
The placement test is a computerized and written assessment test that confirms your readiness to take college-level classes by determining your prior level of achievement in English, math, and reading.

2. Do I Have to Take the Placement Test?
All new PSC students entering college for the first time are required to take the placement test and meet with an advisor prior to registering for classes. SAT or ACT scores may be used in place of the placement test. Some restrictions apply (See below).

3. Submitting SAT or ACT scores
The ACT or SAT scores may be submitted as a substitute for the placement test. Students should meet with an advisor to determine whether your scores are adequate for placement into college-level courses.

4. Take the Test Seriously
The placement test determines whether developmental courses are required, or whether you can register immediately for college-level classes. Developmental courses do not count as college credit. A higher score on the placement test may lead to placement in college-level courses, which pays off with financial and time savings. Prepare and do the best you can. Placement in college level courses is important.

5. Testing Schedule
For a complete schedule, visit prairiestate.edu/placement.

6. The Testing Process
Location: Testing Center, Room 2505
• A PSC student ID number is required to take the test (make sure you have already applied to the college).
• Most students take the English/Reading assessment first. This test takes an average student two hours to complete. Please allow yourself enough time to successfully complete this portion.
• At this session, you will be given instructions for taking the ALEKS math placement assessment. You will register for this through WebAdvisor (you receive your username and password in a welcome letter after applying to the college). There is a $15 fee for the program, which consists of a practice assessment, six-months access to learning modules, and up to four proctored assessments.
• Children and guests are not allowed in the Testing Center.

7. After the Test
Within a week, your scores will be forwarded to First-Year Experience (FYE), where you will meet with a member of the team to review your scores and select your classes. See page 12 for more information about FYE.

First-Year Student Orientation
All new students are required to attend an orientation session. For a complete listing of dates and to register, visit prairiestate.edu and select Orientations, Student from A-Z Index.
