

## New International Student Estimated Expenses

In order to receive an F1 student visa, a SEVIS I-20 is needed. Prairie State College (PSC) is required by U.S. federal immigration regulations to maintain records of funds necessary to cover your tuition, fees, and living expenses for your first year of study.

All international students are required to enroll each semester for a minimum of 12 credit hours or more. The table below shows the estimated cost of tuition and other expenses for one academic year.

<b>Academic Year (9 months)</b>	
Tuition and Fees	\$11,000
Books and Supplies	\$1,500
Living Expenses	\$9,000
Total Expenses*	\$21,500

\*Living expenses may be 5% higher if the student plans to live on their own and not with a friend or family member. Please note, that these are estimated figures only and may change.
