A WINNING PROGRAM

In the PSC Athletics Program, students have the opportunity to develop athletic abilities, while fostering a sense of pride, teamwork, and commitment to excellence. The goal is to enable the student-athlete to achieve academic success, while developing a lifelong foundation for physical and mental well-being.

FACILITIES

PSC offers a prime venue for sports and athletics, including the renovated Pioneer Recreation and Sports Park, with tennis courts and baseball, softball, and soccer fields. Basketball and volleyball teams practice and compete in the Pioneer Fieldhouse, located in the Fitness and Health Complex on North Campus. Athletes have access to a workout room with free weights and a wide range of cardio equipment, as well as an indoor training field and basketball court.

Scholarship opportunities also are available. If you are planning to transfer to a four-year institution, PSC can help.
