2019-20 Dependency Override Request

Student’s Printed Name    Social Security Number/Student ID#

Telephone Number    Email Address

A. What is a Dependency Override?
A dependency override occurs when a financial aid administrator exercises professional judgment and overrides the Department of Education’s criteria for dependent students. An override may only be granted on a case-by-case basis for students with unusual and exceptional circumstances. These circumstances must show compelling reasons for a student to be considered independent rather than dependent.

B. What conditions DO NOT warrant a Dependency Override?
By Federal Law, the following conditions DO NOT warrant a dependency override:
• Parents refuse to provide information on the FAFSA application or for verification
• Parents do not claim student as a dependent for income tax purposes
• Parents unwilling or unable to contribute to student’s education
• Student demonstrates self-sufficiency

You should complete this form if you are considered a dependent student for federal financial aid and believe you have compelling extenuating circumstances which should allow you to be considered an independent student. Return the completed form with the required documentation to the Financial Aid Office.

We understand the sensitive nature of these circumstances; all documentation received by our office will be kept confidential.

C. Please note the following:
• You must complete the 2019-2020 Free Application for Federal Student Aid (FAFSA) and submit all requested documents prior to completing and submitting the Dependency Override Form.
• Dependency Override decisions made at other institutions are not accepted.
• Dependency Override decisions do not carry over year to year. Each school year you must complete a new Dependency Override Form and provide updated documentation to support your request.
• All decisions made by the Financial Aid Office on dependency overrides are FINAL.

D. What is next?
Once the Dependency Override Form is submitted it will be reviewed to determine if documentation is sufficient. If any additional information is required you will be contacted via mail and email. Please allow 2 to 3 weeks for a determination.

E. How do I submit this form?
Please complete and return the form to Prairie State College’s Financial Aid Office.

A student who does not meet the federal criteria for independent status on the 2019-20 Free Application for Federal Student Aid (FAFSA) may submit this form and supporting documentation for a determination if unusual circumstances exist for granting a dependency status override. The Higher Education Act allows a financial aid administrator to make dependency overrides on a case-by-case basis for students with unusual circumstances.
