**THE DEGREES**

The Dual Degree Program

 College of DuPage

 Harper College

The **Dual Degree Program (DDP)** is a unique partnership between GSU and Chicagoland community colleges that provides full-time students with an excellent pathway to earn quality, accessible, and affordable associate and bachelor's degrees.

**To qualify for the DDP**, you must be a full-time student who has completed 12 to 45 credit hours, and be in good academic standing at one of our partner community colleges.

You have nothing to lose—and everything to gain—by enrolling in the DDP. Your enrollment in the DDP will not limit your transfer options in any way. You don't have to attend GSU by enrolling in the DDP. If you do decide to transfer to GSU, you will have many advantages that won't be available to non-DDP students.

If you enroll in the DDP, complete the associate degree at your community college, and transfer to GSU, you will be able to take advantage of a number of program benefits, including the following:

- Your admission to GSU will be guaranteed. Some academic programs such as nursing, social work and art have limited enrollment. Inquire with a DDP Transfer Specialist for information.
- Your GSU tuition rate will be locked in when you enroll in DDP—and that rate will be good for two years after you start at GSU.
- Pell-eligible students will have the opportunity to compete for the GSU Promise Scholarship. This scholarship picks up the full cost of tuition, fees and textbooks which are not covered by Pell and MAP.
- Students with a 3.5 or above will have the opportunity to compete for the DDP Honors Scholarship. This scholarship covers full tuition and fees.
- A DDP Transfer Specialist will give you personalized advising to develop a four-year plan to complete your degrees.
- You will receive a 10 percent discount in the housing rate if you live in Prairie Place, GSU's first residence hall.

**It's easy to enroll in the DDP—and it's free!** You can get the form from GSU's website ([www.govst.edu/dualdegree](http://www.govst.edu/dualdegree)). Click on the name of your community college on that main page to find contact information, answers to frequently asked questions, DDP applications and more!
