

Pulse

Pulse is a free app that helps you find out what's new and what's next. Stay up to date by viewing your course calendar, assignments, grades and announcements for all of your courses in one place. You'll be notified when there are new announcements or when grades are posted.

How do I get Pulse?

1. Visit the Google play store or the iPhone App Store.
2. Search for Brightspace Pulse and install the app.
3. Follow the on-screen prompts to locate Prairie State College.
4. Enter your D2L username and password.
5. You'll be logged into Pulse where you can see all your current courses.

iPhone screen

How do I add my own reminders?

Once you are logged into Pulse, select the **+** icon to add your own reminders. From here, you can add your own To-do list, Reading assignment, Assignment information, or Evaluation information.
