

Adding a Program Shortcut to the Tiles Area

To Add a Shortcut to the Tiles Area

1. Click on the **All apps** list to see the list of programs on your computer.

2. Click and drag the program name to the tile area and release.

3. Click and drag the tile to move it to a different location within the tiles area.

To Remove a Shortcut from the Tiles Area

1. Right-click the tile you want to remove.
2. Select **Unpin from Start**.
