Club Meeting Space

The SLC offers meeting space for the Student Review, and organized clubs and organizations. If you would like to book the SLC for your club meeting, call (708) 709-3910. Student Life enriches the College experience and helps prepare you for the future.

Get involved and join the students who are already enjoying the benefits of student activities. Along the way, you will have fun, develop lasting friendships, learn life skills, and benefit from the many rewarding experiences.

Your experience at PSC does not have to be limited to the classroom. Learning extends beyond academics and into student activities. Opportunities exist for leadership, volunteering, entertainment, and friendships. Getting involved is a great resume builder.

Voter Registration

If you are interested in registering to vote, you can register online at: www.election.il.gov/infoforvotes.aspx. You will also find the link on the PSC website on the Student Government and Student Life pages.
