

GREEN SPEAKER SERIES

March 7, 2017
11 a.m. - 12 noon
Board Room

Conservation at Home

Please join the University of Illinois Extension's Horticulture Program Coordinator, Margaret Burns-Westmeyer, as she presents the Conservation At Home program. She will discuss creating habitat and plant pathways to sustain and reclaim our environment.

April 11, 2017
9:30 - 11 a.m.
Conference Center,
Room 1322

Within the Economy of Nature Lie Solutions to Climate Change

Please join the Park Forest Library's Acquisitions and Outreach Specialist, Victoria Wittig, as she presents the causes and consequences of climate change and how solutions are found within the economy of nature using an "ecocentric" approach that moves society forward to the "Ecozoic."
