Ways to Save Energy and Money

Power Smart: Smart Grid Education

A brand new smart meter is here! Utility companies throughout Illinois have developed new smart grid and smart meter technology to modernize electrical infrastructure to provide consumers with a stronger, reliable grid. Learn how this upgrade will help you take control of your energy usage, get you started on making home energy efficiency improvements and save you money!

Wednesday, April 19
9 a.m. – 7 p.m.
