 **Prairie State College**

Workforce Development & Community Education

202 S. Halsted St. | Chicago Heights, IL 60411 | (708) 709-2957

“ My overall experience at Prairie State College (PSC) was AMAZING. The college gives the community the chance to better themselves with the help of caring and supportive teachers, classmates, and staff.

Earning my Pharmacy Technician Certificate at PSC has opened doors for me to start a career that allows me to help others. It has had a positive impact on my life, and I can now better support my daughter and me. ”

London Robinson

Pharmacy Technician
Program Graduate
