Named for its generous donors, Bob and Marty Christopher, the Christopher Art Gallery is located on the main campus of Prairie State College. The gallery hosts eight shows per year, featuring local, regional and national artists, as well as student works. Gallery Director Beth Shadur curates exhibitions.

Programming varies by media, theme, and artists represented. Annual exhibitions include a fall show highlighting the portfolio of a PSC student who received designation as "Photographer of the Year," accompanied by works by other PSC art students. Other annual exhibitions include a spring exhibition of the work of talented high school students from the region, as well as a show of our graduating art students.
