

# MEET THE TEAM

The Corporate and Continuing Education team at Prairie State College offers an impressive array of skills, education and experiences, all of which are strategically considered for product development for each client's need(s). Assisting organizations with identifying and closing operations and/or performance gaps, we specialize in customizing business solutions products and services to address those gaps; and in response, offer the clients *solutions that generate results*. Our priorities surround addressing client needs with quality products and service. We are dedicated professionals committed to providing stellar service, innovation and creative business solutions to meet your needs.

## Your Account Lead:

**Renee' Bickett** is a vibrant and accomplished professional with 10+ years of experience. As the Continuing Professional Education Specialist, Renee' is responsible for the development and implementation of continuing professional education workshops held on and off campus. Renee' also serves as the Program and Registration Chair of the PSC Annual Mental Health Conference. Renee's professional background includes county government, media services, case management, public relations, community outreach, child welfare and customer service.

She holds an undergraduate degree in Psychology (Eastern Illinois University, Charleston, Illinois). She is highly skilled in project coordination, case management and account representation.

Renee' is a skillful team member known for her high-caliber, quality customer service. She has built her career on trust, effective communication, and relationship management to ensure quality of high-touch service. Renee' seeks opportunities to expand her knowledge, while sharing her insights and experience.
