STUDENT CLUB & ORGANIZATION RECOGNITION

Below you will find some general information about club and organization requirements for becoming recognized and maintaining that recognition status. Most of the information can be found in the Student Government Association Constitution, as well as the Student Life Policy Manual.

Student Club vs Student Organization

A 'student club' is a group of PSC students who gather to promote awareness of and share a common interest. A 'student organization' is a group of PSC students who function as an extension of a larger, more global organization; who function with an academic or cultural focus; or whose main purpose is to serve its membership, not the general PSC student body. Based on this distinction, there may be different requirements and expectations established by Student Government and Student Life, and all groups are subject to oversight by the Office of Student Life.

There may be instances where the requirements of the club or organization may be more stringent than those of Student Government or Student Life. As long as those requirements are not discriminatory in nature, they may supersede those laid out by the governing body/bodies. When such a distinction is applied, Student Life must be informed and provide consent, both in writing.

Eligibility for Recognition

To be eligible for recognition by Student Life & Student Government, each group must:

- Have a dedicated PSC manager, administrator or full-time faculty member as the Advisor.
- Maintain at least five active student members at all times.
- Have a minimum of four officer positions and a designated SGA Representative.
- Have and submit a Student Club & Organization Recognition Packet. Which includes the club's constitution.
- All officers must have and maintain a 2.0 GPA before and during their term of office.

Steps to becoming a Recognized Club or Organization

Any new group wishing to be recognized by Student Government Association must submit the following forms located in the Student Club & Organization Recognition Packet:

- Petition signed by at least 30 *currently enrolled* PSC students (incl. PSC ID numbers).
- Membership roster of at least 5 *currently enrolled* PSC students (incl. PSC ID numbers).
- Names & contact information of all officers (incl. PSC ID numbers), must have a PSC e-mail address.
- Name and contact information for the group's Advisor (must be a PSC manager, administrator or full-time faculty member).
- Copy of the group's Constitution indicating:
 - Purpose or mission statement.
 - Officer positions and duties.
 - Membership criteria, responsibilities and benefits.
 - Election process/succession plan.

NOTE: With the exception of Student Government, no club or organization shall make any additional transactions or plan any organized activities after the final SGA Full Board meeting of the academic year, without prior approval.

Clubs/organizations can be recognized any time during the academic year, however, it is preferred that clubs are recognized by the 3rd week of September. Clubs/organizations getting recognized after 4 weeks in the spring semester might not receive the money.

Recognition Rights

Once recognized, the club or organization shall be able to:

- Reserve space on campus to hold meetings and activities with proper notice.
- Advertise group activities and events on school bulletin boards and in the school newspaper.

- Receive Funding based on availability.
- Conduct business pertinent to the operation of the group.
- Request additional funds or support from the Student Government for special projects.
- Send a voting delegate to the Student Government Full Board.

- Student clubs and organizations must submit copies of their general meeting attendance records at each Full Board meeting (sheets available in the SLC Room 1260).
